VOL. LXXXII, NUMBER 2

Postmaster Joe Wolf has a hearty handshake for Bob Rampp, home for a visit after 4 months in Viet Nam.

Visit Home Precedes Return To Viet Nam

After four months in Viet Nam, CN Robert Rampp of Antioch returned home for a month's leave.

Bob is the son of John and Florence Rampp, Highwood Drive, Antioch. He's in the SeaBees, in a Mobile Construction unit.

He'll be returning to Viet Nam after his leave, for another tour of duty. The SeaBees, he explained, are sent to Viet Nam for nine months, then back home. His outfit had been in Viet Nam five months when he was sent to join them, hence the short tour.

Bob joined the SeaBees near the end of his senior year at St. Joseph's High School in Kenosha. He attended St. Peter's Grade School.

During his stay at home Bob became engaged to Carol Siliantoff, and even his imminent return to Viet Nam couldn't dim his happiness when he stopped in at the News office and the Post Office.

Bob's Construction unit worked on roads and air strips near Da Nang and Dong Ha. Dong Ha, where he spent most of his time, is ten miles south of the Demilitarized zone.

Although his group was not a battle unit, they were hit regularly by mortar and rocket fire from the Viet Cong, who aimed to tear up the air strip they were building. "The mortar fire didn't do quite so much damage," Bob said, but the rockets would tear up 50 to 100 feet where they hit. We captured 57 of the rockets and 27 of the Viet Cong. And we found out that they were using our own ammunition tubes to launch the rockets.

The ammunition, Bob explained, is packed in tubes which are discarded when the ammunition is removed. The Viet Cong stole them for use as rocket launchers.

Bob was thoroughly appreciative of the packages sent to American boys in Viet Nam by the Antioch Post Office. His mother works regularly with the group at the Moose Hall when the packages are packed. "We're ra-

tioned over there on drinks and cigarettes," he explained. "We're allowed either two Cokes or two beers a day. And a carton of cigarettes a week. There's never enough of these items at PX's."

Bob met Art Letkey of Antioch while he was in Viet Nam. That was the only familiar face from home that he met during his four month stay.

Bob found the country primitive and the people poor and ignorant. The building of roads and air strips are of benefit, of course, to the country, and the money

spent by the U. S. and the soldiers improve conditions. Fifty young men from the Antioch area are now on the list at the Antioch Post Office as serving in Viet Nam. There are probably some from the area who are not on the list. The names of servicemen can be turned in to the Post Office by any friend or relative who has their address, and they will receive regularly the packages of Kool Aid, dehydrated soup, pens, paper and various other items sent by the Post Office personnel as part of Project Viet Nam.

Details Of Parade Schedule Released

More information relating to Antioch's Diamond Jubilee has been released through various committees.

An important meeting for all Diamond Jubilee committees will be held tonight at 8:00 p.m. in the fire station.

An outstanding feature of the celebration will be the Big Jubilee Parade on Sunday, August 6th. Units participating in the parade should assemble at the Antioch High School Parking lot at 1:00 p.m., with move-off time set for 1:30 p.m.

A permit has been granted to the village from the State Highway Department to close Route 83, Main Street, from 1:00 to 3:00 p.m. The line of march will start from the High School going north through the business section to North Avenue, a distance of one and two tenths miles into the disbanding area.

Units wishing to march in the parade are asked to register with John Horan, 407 Orchard, Antioch, 395-0645. After all units participating in the parade have registered with the parade marshal, a map and detailed information

will be mailed out.

A word of caution was released, also. All units are asked not to throw any items on the street for children to pick up. This is a must as the Jubilee is incorporated and is covered by insurance and any unit not cooperating will be removed from the parade. Children will not be allowed to ride their bicycles along

Dies After Short Illness

Donna Costoff, the 17-year-old daughter of Mr. and Mrs. Gustav Costoff of Antioch, died Monday, July 3, at St. Mary's Hospital at the Mayo Clinic at Rochester, Minn. She had been ill for the past three weeks.

Miss Costoff was born Mar. 29, 1950, in Oak Park, Ill. She had lived with her parents in Melrose Park, Hillside, and for the past 8 years in Antioch.

She was a member of St. Peter's Church in Antioch, and had completed her Junior year at Antioch High. She was active in the school activities, including the Girls' Athletic Association, the Future Nurses Association, the Future Teachers Association, the Pep Club, the Swing Choir and the regular choir. For three years she was on the executive board of the Student Council.

She is survived by her parents, Gustav and Caroline Costoff, who are associated with the Ace Hardware in Antioch; one sister, Diana, and one brother, Michael, at home; Her maternal grandparents, Mr. and Mrs. P. Basili of Melrose Park, and her paternal grandparents, Mr. and Mrs. M. Costoff of Antioch.

Funeral services will be held at 9:30 a.m. Friday, July 7, from the Strang Funeral Home to St. Peter's Church for a 10 a.m. Requiem Mass. Interment will be in Mt. Carmel Cemetery in Antioch. Parish prayers will be recited at the Funeral Home at 7:30 p.m. Wednesday and Thursday evening.

Deadline Nears In Essay Contest

Students, July 14 is the deadline for submitting entries in the essay contest at the State Bank of Antioch. One student in each grade from fifth through High School will win a \$25 Savings Bond. The judges are Mrs. Mitzie Weick, English teacher at Antioch High; Kenneth Smouse, also an English teacher at the high school, and Miss Betty Lu Williams, librarian at the Antioch Township Library.

The subject of the essay is to be Antioch—anything pertaining to the past, present or future of the village. The essay contest is in conjunction with the celebration of Antioch's Diamond Jubilee. Rules of the contest can be found in the State Bank ad

Hit By Car On Main St.

Richard Gaston, who was struck by a car on Main St. in Antioch last Wednesday, was brought home from Victory Memorial Hospital yesterday (Wednesday) afternoon.

Richard is the 11 year old son of Harold and Mildred Gaston of Pelite Lake. Mr. Gaston is business manager and co-owner of the Antioch News.

Richard was on his way (continued on page 3)

Carnival Running All Week

The annual American Legion Carnival, which started Tuesday, will continue to thrill its mighty crowds as it remains open through Sunday, July 9th.

The new site of the carnival was chosen so as to allow the village parking lot to be open for the use of shoppers. The Antioch High School site was chosen for this event.

The Legion carnival has been a highlight of the July 4 holiday for several years. All proceeds of the carnival go to support worthy causes to which Antioch Legion Post No. 748 lends its support, such as child welfare and other veterans' benefit projects.

The promises of all sorts of rides for the thrill-seeking crowd and the usual midway entertainments came true just as Don Gaston, chairman and Jack Horan, co-chairman promised.

Mrs. Miller Dies Tuesday

Mrs. Anna E. Miller, 75 years old, of Route 59 near Antioch, passed away at 10:30 p.m. Tuesday, July 4, at Victory Memorial Hospital in Waukegan.

Mrs. Miller was born Sept. 14, 1891, in Sterling, Ill. She had resided near Antioch since 1940. She is a member of St. Peter's Catholic Church in Antioch.

She is survived by her husband, John P. Miller; three daughters, Mrs. Lorraine (Jack) Smith; Mrs. Jacqueline (John V.) Horton; Mrs. Joan (Ted C.) Larson; all of Antioch; six grandchildren and six great-grandchildren.

Funeral services are pending at the Strang Funeral Home in Antioch. Interment will be in Mt. Carmel Cemetery at Antioch.

Cold Weather And Showers Dampen Holiday

Despite record cold weather and frequent showers, vacationers crowded the highways and resorts in the Antioch area over the long Fourth of July weekend.

As the holiday ended, the temperature set a new record Tuesday night, sinking to a cool 44 degrees at Channel Lake, according to the official report from Tom Robinson, new weather observer for the Antioch area.

Five More Entries In Jaycee Contest

The most beautiful girl in the Lakes Region will be crowned Jaycees Beauty Queen of 1967 August 6 as a climax of the Jubilee Celebration.

Five new entries were submitted in the contest last week. They are Kathi Gross, Laurie Markwart, Marilyn Sue Wierzgac, Margie Madsen and Kristyn Ann Borchardt. They join the two entrants whose pictures were

in last week's News, Denise Prather and Holly Steichmann.

The Jaycees Beauty Pageant will be limited to twenty girls this year. The Pageant Preliminaries will be held July 29 at the High School.

Kathi Gross is 18 years old and graduated this year from Antioch Community High School. She is 5' 3" tall and weighs 115 pounds.

Kathi has a fair complexion, brown eyes and brown

hair. She intends to pursue her education at Barat College in Lake Forest.

In high school, she was editor-in-chief of the year book and a member of the executive board.

She was a member of the choir for four years, took part in high school plays and in musicals produced by the PM&L.

Her hobbies are swimming, reading and singing. Her talent act will be singing.

Laurie Markwart lives at Rt. 3, Antioch. She is 17 years old and graduated from Antioch High School this spring. She hopes to go to Columbia College.

Laurie is 5' 3" tall and weighs 113 pounds. She has a fair complexion, blue eyes and blonde hair.

She is a member of the Rainbow Girls and has taken part in school plays. Her hobbies are swimming, bowling and sewing.

Her talent act will be a monologue.

Marilyn Sue Wierzgac of Rt. 4, Antioch, graduated from Central High School in Salem, Wis. She also attended the University of Wisconsin.

Marilyn is 5' 3 1/2" tall and weighs 111 pounds. She has an olive complexion, hazel eyes and dark hair.

Marilyn's hobbies are water skiing, tennis and bowling, also dancing. "I like to read anything from a magazine to a paperback book," Marilyn says. "I also enjoy just being in the kitchen and baking for the family. When I attended college, I ran for Homecoming Queen for the Freshman class, and also entered this beauty contest in the summer of 1962."

Marilyn will do a Polynesian Drum Dance for her talent act.

Margie Madsen of Lake Villa graduated this year from Antioch High School. She's 18 years old, 5' 6" tall and weighs 125 pounds. Her complexion is fair, her hair brown.

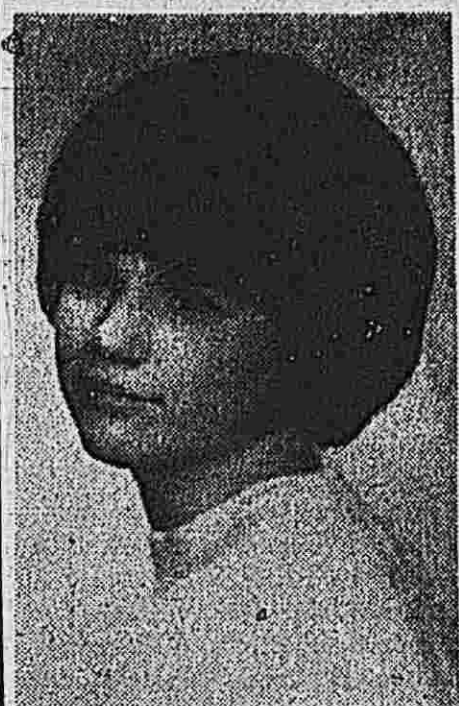

Margie hopes to continue her education at Carthage College. She belonged to the Drama Club and the Future Teachers Association in high school, and competed in the Lake Villa Chamber of Commerce Beauty contest last year. She enjoys all outdoor activities.

Kristyn Ann Borchardt of 685 Lake St., Antioch, graduated this year from Antioch High School. She hopes to major in Art at Northern Ill. University and teach in high school.

Kristyn is 5' 8" tall and weighs 128 pounds. She has brown eyes, dark complexion and brown hair.

She was a member of the Art Club, the Latin Club, and GAA in high school. Her hobbies include sewing, drawing and any outdoor activity. Her talent act will be a skit.

The Jaycees are limiting entries in the Beauty Contest this year to twenty. Diane Modzinski, the Jaycees Beauty Queen in 1966, is now competing in the State Beauty contest at Aurora.

PM&L Produces Another Musical

"I suppose every director feels that his latest show is his best. I know the 'Oliver' has been one of the most enjoyable shows I have ever worked on—possibly because so many of my own family are in it." This was one of the comments director Ken Smouse makes about the musical "Oliver!"

Richard Smouse plays Oliver, an orphan who lives in a workhouse in London during the 1700's. His heartless masters Mr. Bumble and Mrs. Corney, played by Don Beveroth and Charlotte Worswick, sell him to the undertakers, Mr. and Mrs. Sowerberry, acted by Bob Lindblad and Gloria Davis.

Oliver runs away and is persuaded by the Artful Dodger, Steve Smouse, to join Fagin's gang of boy thieves. The wicked Fagin, played by Al Ramsay, is joined by the pickpocket Nancy, acted by Betty Smouse, and big, bad Bill Sikes, played by Bob Andersen, who shows Oliver the joys and woes of life in the underworld. Mr. Brownlow,

acted by Bob Thomley, and Mrs. Bedwin, played by Shirley Jensen, try to help Oliver, but he has many adventures before the show's exciting climax.

The premiere of the latest P.M.&L. musical will occur on Friday, July 7, "Oliver!", directed by Ken Smouse, can also be seen on Sat., July 8 and Sun., July 9 at 8:30 p.m. in the P.M.&L. Theatre on Main Street.

The play will again be presented on July 14 and 15 at 8:30 p.m. and July 16 at 2:30 p.m. Tickets may still be pre-

Can We Stay Lucky?

We were lucky—this time. Can we keep on being lucky?

A child was hit attempting to cross Main St. He's still alive. Will the next one be that lucky?

Should we keep on depending on luck, hoping that no one will get killed crossing the busy streets? Or is it time we did something to prevent a recurrence of his incident?

We've said it before, editorially—motorists should be forced to obey the law giving the pedestrian the right of way in crosswalks. And stop and go lights should be installed at this corner.

There's little point in painting crosswalk lines on the pavement if the motoring public isn't going to obey them. Why give pedestrians a false sense of safety?

The motoring public obviously isn't going to obey the crosswalk law unless it's enforced. This means ticketing anyone who doesn't stop when he sees a pedestrian crossing in the crosswalk. We know we're short of policemen and that they have plenty of work to do. But it seems that protecting the lives of people is at least as important as any other police duty.

As to the question of lights, Antioch would have to pay the expense of the light. The state has left them in no doubt about that. But again, stop and go lights at this corner must be as important as many other projects. The lights are needed even more during the school year, when there is simply no place in town where the children can cross safely from one side of Main St. to the other.

You may remember a couple of years ago when all the children in the fifth grade at Antioch Grade School wrote letters pleading that stop and go lights be installed at the corner of Lake and Main. We printed those letters in the paper. Nothing was done.

It's time action is taken. We hope it's soon, before a needless death occurs.

Courthouse Notebook

BY LOU DURKIN

Some recent visitors to our area from Rhode Island had kind words for the hospitality and friendliness they encountered while visiting their son at Great Lakes Naval Training Center and touring parts of Lake County.

They were particularly impressed with the new courthouse and opined that the people of Lake County must be tremendously proud of the building.

We didn't want to disillusion them so we didn't mention that outside of every day visitors to downtown Waukegan for business purposes that probably only a small fraction of the owners of the new structure had taken time to even look at the exterior, much less wander around the interior that is completed.

Many critics of the building who viewed its construction as an inexcusable waste of taxpayers' money have taken a new position now that the administration of office portion of the structure is now nearing completion and they are admitting to some pride in the seat of our county government.

Every school child in Lake County should tour the new building as soon as it is completed, not only because he will be paying for part of it before the bond issue is amortized, but because it will give him a new pride in his county.

Work on the courts and jail building was scheduled to start this week and if weather and other unworkable permit, it is our guess the second phase of the complex will be completed on schedule.

With County Recorder Frank Nustra and County Superintendent of Schools W. C. Petty due to move from the County Building Annex to the new administration building in a few months it is not too early for the county board to start making plans areas will accrue to the

Your Congressman Reports....

By Cong. Robert McClory

The 1967 public issue questionnaire circulated by this Member of Congress throughout the 12th Congressional District (Lake and McHenry Counties and Barrington and Hanover Townships in Cook County) has produced interesting and encouraging results. Of the 140,000 questionnaires distributed, responses were received on more than 17,000 (in excess of 12%). Tabulation of this year's poll was accomplished much more speedily than in prior years as a result of the IBM computer card system employed.

When fed into the IBM computer, these questionnaire cards revealed that, in general, 12th District residents have definite views on the major issues confronting the Congress and the nation.

On Vietnam, 72.6% of those polled favored a greater involvement, 62.9% want South Vietnam cleared of communists and 9.7% desire a greater use of American air and sea power.

Only 7.3% want the U.S. to withdraw from Vietnam.

Viewpoints on Vietnam are generally the same among persons of varying ages, occupations, and political party affiliations. Only 2.3% failed to indicate one of the six choices.

The strongest "yes" vote generated by the poll was 89.8% for cutting nondefense spending instead of adding to the national debt. The next strongest "yes" vote was 79.8% for eliminating the earnings limitation under Social Security.

The weakest "yes" vote was 57.5% for expanding East-West trade in nonstrategic goods. Next weakest "yes" vote was 57.8% for tax-sharing by the Federal government with state governments—without strings.

Residents of the 12th District completing the questionnaires represent a broad cross section of occupations and age groups. The sophisticated IBM computer equipment revealed this personal information about the participants in the poll:

Occupationally, 71% are either white-collar (43.2%) or professional (28.8%); 19.6% are blue-collar. A mere 2.1% today are engaged in agriculture. Only 7.3% gave no answer.

Politically, 59.8% are Republicans; and 24% describe themselves as independents; 10.8% are Democrats. Only 5.4% gave no answer.

Age-wise, 39.5% are between 35 and 50 years old; 35.2% are 50 years or older; 21.6% are between 20 and 35 years old. Only 3.7% declined to reveal their age grouping.

The results of this survey will be compiled in greater detail, reported in the Congressional Record, and distributed later to residents throughout the 12th District.

About one-third of the questionnaire cards returned from 12th District residents contained individual expressions in the same envelope. The results of the questionnaire survey, as well as the individually expressed views, have been both reassuring and challenging. Above all they represent a substantial cross section of the views of well-informed citizens of the 12th Congressional District.

These views are being studied carefully by this Member of Congress. They are the views which this member is charged with representing in his votes and other actions in the United States Congress.

to include many additional services under Sales Tax—referred to as the broadening bills, have been killed and probably properly so, by the Republican Senate.

The broadening bills would have brought some 600 million additional revenue to the state—actually more than needed at this time! It would have covered barbers, beauticians, attorney's services, doctor and hospital bills, dentists and on and on. As a compromise, the Republican side came back and introduced legislation to increase the sales tax only .01 cent, giving ½ cent to the state and ½ cent to the cities and counties. This would raise about \$150,000,000 which now due to the slash by the Republicans of \$117,000,000 from the budget would be ample for the bi-

ennium. In addition, the Republicans reduced the proposed increase on gas tax from .03 cents as proposed by the Governor to .01 cent. Also increased was the tax on cigarettes by .01 cent.

The Democrats made big pleas and shared "crocodile tears" over the fact that the .01 cent sales tax raise was against the "little people." I ask them back and you my good people, "is it not better to make the so-called 'little people' pay only .01 cent more across the line on purchases than to make the same 'little people' pay .04 cents that they don't pay now on Doctor Bills—Hospital Bills—Haircuts and etc.?"

Who are they kidding? Any tax, no matter in what words it is couched is still paid by the "little people," and who are the little people? They are you and I!

Facing the Facts
As your Representative, I go to the seat of government to represent you. We get all kinds of demands to increase the aid to schools, to build colleges, to improve recreation and again—on and on.

In our own case, we also ask aid for our very fine Port District that includes our harbor and our airport. Benefits that we all share in.

It is not popular to vote for any tax increase. It is popular to seek and get improvements for your District, to vote for additional aid for Mental Health, additional aid to education—vote to build new parks, new lakes, and new roads. This, however, is being completely irresponsible.

Wonderland Opens For Vacation Needy

Carefree, pleasure-filled days in Wonderland are in store for 225 needy young stars and their mothers who will be the first guests of the season at The Salvation Army's summer camp, six miles northwest of Antioch. They will vacation at the camp from July 5 to July 14.

The group—including five sets of twins—will leave in six busses from the Army's Temple Corps, beginning at 9 a.m.

Camp Wonderland will be host to an additional 450 children and their mothers—225 at a time—during two other camping periods, July 17-26 and July 28-Aug. 5. Following the family sessions, 200 men and women 60 years of age and older will be guests at the senior citizens camp Aug. 7-15. This summer will be the 16th season that The Salvation Army has held a camping period for the oldsters.

In a special wooded area of the camp, the children will be able to enjoy the services and benefits they must be paid for. "If you want to dance, you must pay the fiddler!"

In closing my dear friends, I say to you that until the day you the people stand up and say "enough—we don't need all these services—all these luxuries"—you are going to pay—and pay—and pay.

Major and Mrs. Alvin Nelson, 5321 U. Luna ave., are the directors of Camp Wonderland this summer.

Son Connects By Telephone With Parents

On Tuesday, June 28, Mrs. Leonard Grefkowicz received a long distance call from her son, Mike.

An oddity? Maybe not, but when the call originates from Vung Tau, Vietnam, it is an oddity!

Pfc. Mike Grefkowicz, stationed at the communications airfield, called his parents from Vietnam at 6:30 a.m. through an Anchorage telephone operator.

The operator believed she might have to cancel the call due to the breaking of the signals, but said she would keep trying to get through. Finally, at 7, the operator contacted Mike through a Hawaiian operator.

Mike, a member of the Army signal corps, had tried to get through to his parents on his birthday, but failed to connect.

Mike, through his letters to the post office, expressed his appreciation to the people of Antioch for their generous donations through Project Vietnam.

Mike said he was worried that everyone here in the states was all right. For his birthday, Mike received from his parents, fiancée and friends various items such as a canned ham, canned goods, a camera, Levi's and swim trunks.

Grefkowicz has been in the service since August, 1966 and will probably be coming home in either February or May. He received his

basic training at Fort Leonard Wood, Mo. He completed his advanced training at Signal Corps School, Fort Gordon, Georgia. He is now serving with the 41st Signal Battalion in Vietnam.

Grefkowicz is the son of Mr. and Mrs. Leonard Grefkowicz, of Rt. 4, Box 424-C, Antioch.

AGRICULTURE IN KOREA
Agricultural production in the Republic of Korea has risen about 46 per cent in the last four years as the result of scientific use of fertilizer, increased double cropping and development of new land.

Looking back on National Guard service in 34 WW II campaigns including seven assault landings, the late Robert P. Patterson, as Secretary of War, remarked: "The soldiers of the Guard fought in every action in which the Army participated from Bataan to Okinawa. They proved once again the value of the trained citizen-soldier."

Take It Easy This Summer

HEALTH AND SAFETY TIPS

How to Be More Comfortable
You can't really beat the heat.

Whether it's the heat or the humidity—or both, it's hot in almost all of the United States in July. After weeks of sweating and steaming, it's not uncommon to find the heat is beginning to wear you down.

You can't do anything about the outside temperature. You can avoid it if you're fortunate enough to work and live in air-conditioned comfort, but it still will be hot outside.

The American Medical Association points out that there are some things you can do to be more comfortable—things that can help you beat the heat.

Stay out of the sun as much as possible, especially during the middle of the day when rays are hottest. Wear light, loose clothing. The ladies have an edge over the men in this respect. Drink more liquids than usual, but take extra salt only on your physician's advice, particularly if you have liver or kidney trouble or a heart condition.

Take a shower or dip in the pool once or twice a day to cool off. Get plenty of rest and sleep. Eat your regular diet and don't go overboard on cold cuts and salads, unless you like them anyway.

Get up early in the morning to do your heavy work on the lawn or garden. Or work at dusk in the evening, but try to avoid heavy exertion during the hottest hours of the day. There is a sound physical reason behind the siesta custom of the tropics.

You need exercise in the summer as well as in the winter, but don't overdo it, especially on extra hot days. Don't overdo physical exertion, whether at work or at play.

The more relaxed outdoor life of the summer months has many advantages to compensate for the heat. Stay relaxed and use common sense and you can beat the heat—at least somewhat.

Theatre-goers are urged to procure their tickets soon, for if "Oliver" is like P.M. & L's other musicals, tickets will quickly be sold out.

Mr. Smoute comments "I think I enjoy it more because of the fact that it's different, not the usual run of musical. I really can't think of anything the show hasn't got—comedy, tragedy, humor, pathos. The plot suffers some from looseness, but it still amazes me how much of the essential structure of the story the writers have managed to retain."

"Yes, I think it's one of the best shows I've ever directed."

Increase Weight Limit On Parcel Post

Mailers will be able to send 25 pound parcels between first class post offices which are 150 miles or more apart starting July 1. Postmaster Joseph Wolf reminded patrons today. The present weight limit is 20 pounds, he said.

This is the first of five increases scheduled to take effect annually until 1971, when a 40 pound, 84 inch maximum size will be authorized between all first class post offices. Size limitations are now 72 inches in combined girth and length.

The next increase, on July 1, 1968, will raise the weight limit to 30 pounds; on July 1, 1969 the weight limit will

James Kopriva. The committee hopes to make the Pageant free of charge with tickets perhaps being passed out by merchants.

The Jubilee commemorative coins are all in the hands of merchants and organizations who are selling them.

The Jubilee schedule, after Thursday night's Pageant, will include the following sequence of events: Friday night, a dance sponsored by the Rainbow Girls. Co-chairman Bob Wilton asked that any organization who might wish to schedule further activities for Friday contact him.

Saturday, Pickard China, Inc., will hold an Open House. The work force will be on hand, and tours of the plant will be given, showing the process of manufacturing their fine china.

From 1 to 4 p.m. Saturday the MYF is sponsoring a cake and ice cream social at the Methodist Church. Saturday night will be the Fireman's Dance.

The Lions Club will hold their Annual Chicken Barbecue, at the pool area, will start about 11 a.m. and proceed until everyone is fed.

Immediately following the Barbecue, the Jaycee's Beauty Queen will be crowned from a field of pretty finalists.

The Antioch Woman's Club plans to provide a Hospitality House service, probably on Sunday.

The Chamber of Commerce plans to provide an Information Booth for visitors. The Woman's Club offered their Thrift Shop, on the corner of Lake and Main Sts., as a site for the booth.

to the office of the Antioch News after leaving summer school classes at Antioch High School. He was crossing Main St. in the crosswalk at the corner of Lake and Main when he was struck.

According to the police report of the accident, Richard was at the south corner of Lake and Main Sts., in the southbound lane of Main at the time of impact. The car which struck him, a Cadillac convertible driven by Beverly Jane Rundgren of Lake Villa, traveled approximately 75 ft. after hitting the boy, coming to a stop at 952 Main St.

Police Chief Mason said here were about 32 feet of skid marks from 950 Main, the point where Mrs. Rundgren evidently first realized she had hit the boy, to 952 Main.

The boy was struck with the left front of the vehicle, and dragged under the car. He was inside the left rear axle in front of the wheel when the car stopped.

Antioch Rescue squad members, aided by onlookers, lifted the car to remove the boy, and he was taken to Victory Memorial hospital.

Richard suffered severe bruises and abrasions over most of his body. Some teeth were knocked out, and the side of his head badly bruised.

Mrs. Rundgren was given a citation for failing to yield the right of way to a pedestrian at a crosswalk.

Special Exams For Revenue Service

E. C. Coyle, Jr., District Director of Internal Revenue Service, Northern Illinois area, announced a special enrollment examination will be held on September 25 and 26 to establish eligibility for enrollment to practice before the Internal Revenue Service and is open to candidates who are neither attorneys, nor certified public accountants.

Application for the enrollment examination, Form 2587 and other information may be obtained from the IRS District Office, 17 North Dearborn Street, Chicago, Illinois.

A fee of \$25, payable to the treasurer of the United States, must be paid with the application and is not refundable.

The deadline for registering is August 31.

Last year over 1,200 practitioners took the exam. Questions asked on last year's exam are contained in Internal Revenue Bulletin No. 1967-8. Copies are available at 20 cents each from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20401.

DANGER! TEAR GAS GUNS
Serious injuries have occurred recently from the accidental discharge of tear gas guns, according to a warning from the Food and Drug Administration to the Illinois Department of Public Health; Dr. Franklin D. Yoder, director, said.

The guns generally are cylindrical, hollow, pen-shaped objects about four inches long. At one end there is a 20-coil spring and a sliding piece of stainless steel similar to the bolt of a rifle.

A few of the serious injuries reported concerned a Minnesota doctor who picked up what he thought was a spray dispenser and discharged a tear gas cartridge into his hand. A Washington, D. C., secretary was injured under similar circumstances. A Missouri boy reportedly lost the vision in one eye from the shot of what he thought was a miniature flashlight.

At present, it is illegal in Illinois to carry on or about the person or in any vehicle, such tear gas devices, Dr. Yoder said. State legislation is pending to legalize use of the devices. Should the proposed legislation become law, the Hazardous Substances Labeling Act, administered by the Health Department, would apply in Illinois.

"DIG" THOSE DICKSON MOUNDS

Every day is a field day for would-be archaeologists at Dickson Mounds 55 miles northwest of Springfield, between Havana and Lewis-town. An estimated 40,000 persons saw the 1966 excavations and this year there may be twice as many.

The "dig" now under way will cover a much more extensive area than the original Dickson excavations. Professional interest in the work has gained impetus with the prospect of a new museum complex on the site and all areas are to be covered by the new building will be opened up.

The archaeologists and about 20 helpers are participating in the project this summer. Dr. Robert L. Hall of the Illinois State Museum, which administers Dickson Mounds under the Illinois Department of Registration and Education, had laid out the project and is supervising the first phase.

SIMMER—DON'T BOIL

When you read in a recipe that a certain cut of meat is to be covered with water and simmered, it means just that! Simmering, if you're using a thermometer in the water, means keeping the temperature of liquid at 185° F. (if at sea level) while boiling is 212° F.

Are there bubbles in the liquid in simmering? Yes, they form slowly and break below the surface. It's different from the constant bubbling and furious activity that one encounters with boiling temperature.

Why is simmering recommended rather than boiling? It's a more moderate temperature in keeping with lower temperatures advised for cooking meat cuts. Cooking meat at a lower temperature gives a more attractive, more tender and more juicy product. It also reduces shrinkage.

HOSPITAL VISITS

Are your visits to hospitalized friends and relatives viewed with apprehension by the nurses, as well as the patient? Or are they welcomed as a cheerful, morale boosting experience?

Here are some tips to help assure the welcome of your next hospital visit:

1. Call the hospital in advance to learn if the patient is allowed visitors and, specifically, what hours visitors are allowed.

2. Go alone. Too many callers create a noisy party atmosphere that is tiring for the patient.

3. Keep your visit short. Long visits are exhausting on the patient. If you have special permission to stay longer, it isn't necessary to keep a conversation going the entire day. Allow the patient to rest. Your presence alone is comforting even if you just sit quietly and read.

4. Keep the conversation pleasant. This is not the time to discuss your own personal problems or any bad news. If the patient wants to talk about his illness, let him guide the conversation. Don't pry and, above all, be optimistic.

5. If you take a gift, choose something to be enjoyed in the hospital. Magazines, books, stationery or small floral displays are usually welcome. But don't bring candy or other food because the patient may be on a special diet.

6. Don't smoke. Though the patient may be too polite to say so, the smoke may bother him.

7. Don't sit on the bed. The jarring—or extra weight on the side of the bed—may be discomforting to the patient.

8. Don't bother the nurses. They are busy. When you involve them in long conversations, you are depriving another patient of their attention.

WATER SAFETY TIPS

Don't go near the water if you are going to show off, drink alcohol, display overconfidence in your swimming, or exhibit plain foolishness.

Each year some 300 persons drown in Illinois lakes, rivers and pools because they failed to heed the necessary precautions against accidental drowning.

In a recent study conducted by the Illinois Department of Public Health, it was found that overconfidence in ability to swim distances, showing off, and swimming alone in unsupervised areas were significant factors in drownings, even when the victim was considered a good swimmer.

Teenage boys, who are trying to impress someone are frequent victims listed in the drowning statistics.

Most of the casualties were males and almost half of the victims were under 20 years of age.

In one recent 12-month period for which the figures have been analyzed, of 299 drownings, 256 were male and 41 female.

Lakes, rivers, and other public places claimed the most lives, 175. Small boat accidents accounted for 52. Of the 22 who were drowned at home, either in a pool or some other container of water, 13 were under 5 years of age.

One of the most tragic facts to come out of the study was that none of those who perished in boating accidents wore life preservers.

Here are some important steps you can follow to insure a happy summer of swimming:

DON'T swim alone.

DON'T swim at a beach or pool that is posted as dangerous.

DON'T dive into strange waters where rocks or stumps may be concealed.

DON'T swim out beyond your ability to come back.

DON'T jump into extremely cold water or swim immediately after a meal.

DON'T allow small children to swim by themselves.

DON'T let children float into deep water on wings or inflated toys.

CARNIVAL TIME OFFERS THEME FOR COOKIES

Have you ever wandered around a carnival, looking at the sights, munching peanuts? It's readily understandable how these cookies were inspired.

The flavors of lard and brown sugar give an especially tempting cookie, points out home economist Reba Staggs. Like frosting on the cake are the Spanish peanuts which give a delightful crunchiness to the cookies.

Carnival Cookies

- 1 cup lard
- 1½ cups brown sugar
- 3 cups sifted enriched flour
- ½ teaspoon baking soda
- ½ teaspoon salt
- 2 eggs
- 2 teaspoons vanilla
- 2 cups Spanish peanuts
- Sugar

Cream lard and brown sugar. Sift together flour, soda and salt. Add eggs, vanilla and sifted ingredients to creamed mixture. Stir in peanuts. Shape in balls about the size of a walnut. Place about 2 inches apart on ungreased cookie sheet. Flatten out with a water glass wrapped in a damp towel. Sprinkle with granulated sugar. Bake in a moderate oven (350° F.) 12 to 15 minutes. Yield: 5½ doz.

New York's famous 42nd (Rainbow) Infantry Division got its colorful nickname from General Douglas MacArthur who served as a member of the division in World War I. The 42nd was composed of National Guard units from many states. Two of its WW I regiments, the 165th Infantry (New York), and the 167th Infantry (Alabama) had last seen each other's colors from opposite sides of the battle lines in eleven different actions in the Civil War from Bull Run to Appomattox.

Rychlik-Erber Wedding At Prince Of Peace Church

By Mrs. Bernice Bernau
Miss Patricia Ann Rychlik, daughter of Mr. and Mrs. Joseph Rychlik of 78 N. Rolling Ridge Lane, Lindenhurst, became the bride of Carl David Erber, son of Mr. and Mrs. Edwin Erber, Grand Avenue, Lake Villa at a 3 p.m. nuptial mass at Prince of Peace Church on June 17.

The Rev. David J. Lynch performed the double ring ceremony. A reception was held at the Lindenhurst Civic Center following the ceremony.

A gown fashioned of de-lustered satin and Alencon lace, with elbow length sleeves and a gently scooped neckline lavishly applied with lace, was worn by the bride. The bell skirt was styled with a detachable full sweeping chapel train. She chose a headpiece with a forward cluster of satin petals which held her bouffant illusion veiling.

She carried white orchids with snowdrift miniature chrysanthemums in a cascade fashion bouquet.

Miss Carolyn Kris was maid of honor, and Mrs. Daniel Shobesta a bridesmaid.

Richard Erber was his brother's best man. The bridegroom's cousin, Dwight Kloske, was an usher.

The newlyweds drove to the east coast, covering 2,165 miles during their one week honeymoon. They visited with a Marine buddy in Connecticut. They are living at the Timber Lake Apartments in Waukegan.

The trip to Jacksonville, Florida, for the 79th Annual International Moose Convention, proved very satisfactory for two members of Antioch's Loyal Order of Moose, namely, Seth Mark and Scotty Birdsall. Both were honored with the Good Fellowship degree, the third step for a Loyal Order member.

"Welcome Moose" were the signs posted in almost every establishment of the Jacksonville, Florida area for they were hosts for this Moose Convention. The steady down pour of rain did not seem to bother the over 8000 Moose members that attended. The dedication ceremony performed at Orange Park, Fla., on Sunday, June 25th, for the Moose Haven Center and the new recreation building by the state of Michigan was also in the mist of rain, as was the Chicken Bar-B-Q.

Others attending the convention from the Antioch Moose were Governor Warren Andre and his wife, Lorraine, Mr. and Mrs. Lester Sperling, Gerry Mark, Lillian Birdsall, and Nancy Mingarelli. The Convention was a five day session which ended on June 29th.

Magdalene Remsing, Deputy Grand Regent of Illinois, will be the guest speaker for the Chapter Night program of the Women of the Moose to be presented at the meeting to be held at the Antioch Moose Home, Thursday evening, July 6.

The Loyal Order of Moose will hold a special meeting on Wednesday evening, July 12, for the resolution by all members for the expanding program now in effect. This is a very important meeting and all members are urged to be present.

Plans are in the making for the Moose Picnic which will take place at Lake Shangri-La on July 30. Every year the Moose families get together for a day of fun and relaxation. There is plenty of space for swimming, playing a game of baseball and all other kinds of games. Plenty of entertainment is in store for those who attend, all you have to do is bring your own food.

SALAD BAR LUNCHEON
A Salad Bar Luncheon will be held at Millburn Church July 12 from 11:30 to 1:30. The luncheon is sponsored by the Mylo Club.

Anyone desiring tickets may call Susan Vandemeer at 395-0394, or purchase them at the door.

BIRTH NOTES

Mr. and Mrs. Edwin Johnson of Antioch, have announced the birth of a son, Jeffrey E., on June 28, at Lake Forest Hospital. Jeffrey weighed 7 lbs. 14 1/2 ounces at birth.

Mrs. Johnson is the former Karleen Rockow, the daughter of Mr. and Mrs. Eugene Rockow.

Nickel silver is now used extensively in contacts and connectors for modern electronic equipment.

Girls To Hold State Meeting

What is Rainbow? It's a quest of girlhood on the journey of life, a hidden gate between reality and enchantment; an ideal-made real by enchantment.

The 36th Grand Assembly of Illinois, International Order of the Rainbow for Girls will convene at the Conrad Hilton Hotel in Chicago, International Room on July 12, 13, 14 and 15, 1967. The grand worthy advisor, Miss Nancy Jansen is calling this the Grand Friendship Session and the theme will be "Friendship is a Golden Key". In attendance will be girls from the age of 12 to 20 from assemblies throughout the state, with well over 1000 girls expected to partake in the business of the sessions.

The formal opening will be held on Thursday, July 13, at 7:30 p.m., with the introductions of Rainbow dignitaries and distinguished guests from different parts of the world, as well as the United States. Friday will be the business of the session and Saturday the completion of it.

Members attending from the Antioch Assembly No. 23 include Kathy Gaston, who is appointed Grand Representative to Wisconsin in Illinois, Cheryl Pincombe and Denise Fowles will sing in the grand choir.

Jeannine Dow, Antioch 23, will give the tribute to the American flag at the opening session. At the organ will be Denise Fowles from Antioch 23, as well as Pam Keag.

Illinois Rainbow membership grows with each year with new assemblies being formed. Over 5,000 girls belong to the Order, and over 275,000 girls are in the Order throughout the world.

Local School Nurse Attends Conference

Miss Martha M. Heindl attended a five-day conference for school nurses on "The Exceptional Child" at Illinois State University, Normal, Ill., from June 26-30.

The conference is sponsored by the Illinois Association of School Nurses, an affiliate of the Illinois Education Association, in cooperation with the Illinois Department of Public Health, the Office of the Superintendent of Public Instruction, and the Illinois Education Association. Miss Heindl is a school nurse at Antioch Community High School.

Holy Name To Host Parishoner Picnic

St. Peter's Holy Name Society will hold its annual family picnic Sunday, July 23, at Fox River Park north of Wilmet, Wis.

Families will bring their own picnic lunches. Soft drinks will be served by the men of the Holy Name and there will be games for all.

This picnic will also be an ideal time for all parishoners to greet the parish's new pastor, Father Thomas McGovern.

**MOST MOTORISTS

KEEP UNINSURED
MOTORIST PROTECTION**

All automobile liability insurance policies issued in

Illinois contain a provision protecting the insured against personal injury due to an accident in which an uninsured motorist is at fault.

The uninsured motorist endorsement has been required on all policies issued in the State since July 1, 1963, and very few motorists have elected to cancel this part of their coverage, according to the Illinois State Bar Association. The cost of the coverage is usually less than \$10 per year.

The protection in case of an accident involving an at-fault uninsured motorist extends to (1) any and all persons riding in the insured's car at the time of the accident, and (2) the insured and members of his immediate

family who live in his home, whether riding in his car or walking as pedestrians. It also provides protection in case of injury to the person of the insured or a member of his family inflicted by a hit-and-run motorist.

Ordinarily, most companies provide uninsured motorist insurance in amounts of \$10,000 for one injury. This coverage applies to all damages for personal injuries suffered by the insured or other persons covered as the result of the negligence of an uninsured motorist. The damages are limited to the amount of coverage purchased.

If the insurance company refuses to honor a claim, most policies require the in-

Boosters Seven-Run Splurge Beats Bankers

Monday, June 26, the Bankers and Boosters engaged in a battle of runs. The Bankers were leading until the seventh when the tables were turned and the Boosters crossed the plate with seven runs to win the game 13 to 10. Bill Albano took his first loss of the season, the winning pitcher was J. Rockow.

Thursday, June 29, Marty Romaine pitched his way to his second victory in as many starts. In doing so he blanked the Advertisers 7-0. Brian McCarthy took the loss.

Thursday also featured a double header engagement with the continuation of a tied game of June 14 being played. After nine innings the game was continued Friday and was won in the tenth by the Boosters. Ron Nielsen, who singled home S. Bentel from third base. Winning pitcher was Steve Bentel while Gary Inman took the loss.

The regularly scheduled game saw the same pitchers facing each other but this

time Steve Bentel pitched a one hitter to gain the 4-0 shutout. Gary Inman took the double loss for his evening's efforts.

Saturday, July 1, the Advertiser and Antioch Merchants played a rained out game from June 28. Jim Carlson and Wayne Simons were the opposing pitchers. The Advertiser won 7-4 on a fine pitching job done by Wayne Simons. Scott Wilson picked up a double, driving in three runs.

Athlete Wins Letter For Spring Sports

The director of athletics at Northland College, Ashland, Wis., has announced the recipient of a major letter by Bob Lenczewski, Antioch. Bob received his letter for excellence in the field of baseball for the spring season.

Prize Shoot For Ham And Bacon

Porky Pig will be the guest of honor at the McHenry Sportsmen's Club Ham & Bacon Prize Shoot, Sunday, July 9th. Shooting starts at 11 a.m. and will continue until dark.

Succulent Dubuque Hams and JoPat Hickory Smoked slab bacons will be the incen-

tive for eagle-eye shotguns to shoot up the place. Also on the prize menu are tender, young chickens and JoPat aged steaks. Shooters will vie for these gourmet goodies in double, triple and quintuple White Bird shoots, in addition to Hi-Lo and regular high score shoots. Protection and Annie Oakley contests will be the fun-type shoots, and 10' and 25' bird practice rounds will fill out the day's schedule of events.

In special action at their last meeting, McHenry Sportsmen's Club members voted to award sharpshooting-nimrods who break 25 x 25 straight targets at the Saturday afternoon practice sessions. The club will pay \$2 to every shotgunning who accomplishes this feat.

Saturday sessions will be held on the 1st, 8th, 15th, 22nd and 29th, from 1 to 4 (continued on page 7)

Rifles Add New Players To Roster

The Lake County Rifles swing into their third season of play Thursday night at Mundelein high school. The defending champions of the Central States Football League will be pointing toward their season opener with the Dayton, Ohio, Colts on August 12th.

General Manager Bob Amann reveals that over 90 letters were sent out to veterans and prospective new candidates. The latest two players to join the Rifle fold are the Van Dien brothers of North Chicago. Both played collegiately at Illinois State. John and Jim weigh in at 260 and 235 pounds respectively.

Another new face expected to make an appearance in the Lake County camp is Bill Riley. An all-state quarterback from Marian Central high, Riley played four years of college ball. Two at Notre Dame and two with the Nebraska Cornhuskers. One other regarded newcomer is Darryl Johnson of Waukegan, a 6' 3" tight end from Ottawa College, Kansas, where he earned all-conference honors.

General manager Amann reports he spent an hour last week with Babe Dimancheff, the player personnel director of the Chicago Bears. The Bears provided the Rifles with the names of eight ball players from the area who were cut from the Bear try-out camp at Soldier Fields. Amann pointed out that the two teams have no working agreement, that this was just a courtesy extended by the

Harris Takes 30-lap Modified

Duane Harris, defending 1966 Champion of the Lake Geneva Speed Center, got back on the fast winning groove at the Lake Geneva Speed Center Thursday night and won the 30 lap modified stock car race after a grueling battle with Don Schuppel of Milwaukee.

Bill Kline of Burlington took the lead at the start followed by Dean Krauze of Clinton and Tom Anderson of Antioch. On the sixth lap Anderson who took second on the fourth lap, went around Kline and into the lead.

On the 10th lap, Harris was fourth with Schuppel second and Kline between them. On the next lap Harris took second and the chase started in earnest after Anderson. Schuppel overtook him and passed for the lead on the 10th lap with Harris going

wide and also following dropping Anderson back to third. Jim Sullivan, who had started 12th, was now up to fourth and he got by Anderson on the next lap.

On the 25th lap, with only six laps to go, Harris worked his way around the outside and around Schuppel and was never threatened again. Schuppel finished second, then it was Sullivan, Johnny Reimer, Anderson, Rodger Otto, Ron Bergsma, Claude Potter, Bill Bohn, and John Keing in the first ten.

Modified stock car heats were won by Chuck Henne of Lake Geneva, who also came back and took the win in the semi-feature. Bergsma, Schuppel and Reimer won the other heats. In the late model division, Harvey Dunbar of Delavan, Bob Roper of Chicago and Don Daniels of Paddock Lake were the winners. Ropers was a double win with the feature and heat falling to him.

Rain, which has lately been as consistent as a point leading driver at many area tracks, came to the Lake Geneva Speed Center both early and late Saturday night and prevented the running of the feature races. Just as the line-up for the Total Feature was being announced, sprinkles started that soon turned into a downpour.

Rain had fallen earlier but stopped and the time trials and all heat races were run off before the rain started again. In the heats, George Fisher got his first Speed Center victory of the season as Russ Sorensen of Racine kept a cool head and won the second heat. Sorensen had mechanical trouble and Denny McKay took the lead and the win.

Tom Anderson led throughout the third heat with Claude Potter, Bill Bohn and Rodger Otto finishing very close behind.

The fourth heat was won by Sullivan with Sorce in second and Otto in for third. Joe Sansone and Jim Deitmer won the late model stock-car heats. Bill Bohn had fast time in the modifieds and Rick Schuyler had late-model honors. The attendance was 2000 in spite of the weather circumstance that had threatened all afternoon. Special events for the month of July will be a ladies' Powder Puff Derby on Thursday, July 13, and a special Friday night race that will be the Jim Lawrence Memorial Race. This will be on July 21. That week there will be racing on Thursday, Friday and Saturday at the Speed Center.

FOR DEER HUNTERS
The Illinois Department of Conservation warned hunters, when they apply, to specify whether they want bow permits or shotgun permits. Many applications are being returned because the applicants did not indicate what type of permit they wanted. Quotas in Alexander, Gallatin, Hamilton, Jackson, Johnson, Macoupin, Saline, Union and Williamson Counties have been raised.

Grandma Takes Hobby Stockers

Dave Evans powered his 1966 Chevelle to win the first feature of his career at the Waukegan Speedway Wednesday night. Harold Gutche was second and Roger Hagi finished third in his best showing of the season.

Cora Morton became the "Queen of the hobby stockers" as she romped home the winner. With the win, Mrs. Morton, a grandmother, became the first lady to win a main at the speedway when in competition with the men. Earlier in the season Mrs. Morton rolled over after the finish of an event.

Norm Zenko was the early leader in the feature. Harold Gutche, Zenko, Ron Kalous, Evans and Dennis Borgan had the fans on the edge of their seats as they fought for the lead lap after lap. Everyone, except Borgan, took a crack at the lead, Evans finally taking over in the fifteenth after tangling with Zenko.

Evans becomes the seventh late model feature winner in ten main events at the speedway this season. Only Jim Cossman has managed to record multiple victories. A heat race crash eliminated Cossman's yellow No. 1 and he drove Jerry Leathers' 08 in the feature.

Waukegan, July 1—The weatherman started the month of July off on a familiar note as the Waukegan Speedway chalked up its tenth rainout of the year. The rain postponed the June Championship late model races for the third consecutive time.

Intermittent shower and sunshine left the Waukegan Speedway in excellent shape for the Firecracker "50" Sunday night and Mouse Wade

wound up the victory in the hotly contested event. Roger Von Otto and Gino Wagner finished second and third in close order.

The feature race was marred by a spectacular accident which sent popular Jim Bozeman to Victory Memorial Hospital with "possible back injuries."

Bozeman climbed from the car, which landed upright, unaided; however, he was taken to the hospital for x-rays and observation. Jim's

accident was one of the most spectacular modified crashes in the past several seasons at the Waukegan oval.

Roger Iles and Chuck Uttech were the early leaders in the 50 lap grind. Wade was out to prove his record shattering victory of one week before was no fluke and he outdistanced these two and the rest of the field to the finish line.

Three tremendous last lap wins highlighted the races held on the fastest track of the season. Von Otto nipped Harris in the trophy dash as the two sprinted for starter Frank Pinter's checkered flag. Wagner edged Uttech in the fourth heat with another last lap effort. John Martin became the only double winner of the night as he bested Al Horton in the final 100 feet of the consolation race. Martin earlier won a heat race.

William Stephenson won his first hobby stock feature after Len Curtiss dropped out while in the lead only a few laps from victory. Cora Morton, the racing grandmother, finished second.

Cubs Score Eleven; Blast Opposing Team

Once again, the Cubs blasted the opponent in the first inning as they tallied eleven in the first. The Giants, who are above the Cubs as far as league standings are concerned, couldn't seem to overcome the Cubs as they struggled to score seven.

FREDERICK C. RUDY

Frederick C. Rudy, 51 years old of 323 Prosser St., Silver Lake, Wis., passed away at 6:45 a.m. on Friday, June 30th, in the Burlington Memorial Hospital after a 10 year illness. He was born January 28, 1916 in Danville, Pennsylvania, and moved to Chicago in 1944, then moved to Silver Lake in 1954.

He worked for All State Insurance Co. as a Systems Analyst since 1961. He had served as a chaplain's assistant during World War II in the U. S. Army. Mr. Rudy was a member of the Silver Lake Community Baptist Church and had served as a trustee on the church board. He married Esther Christensen on Jan. 22, 1944 in Chicago.

Survivors are his wife, Es-

ther; two sons, Frederick J. Rudy and Paul Rudy, both at home; three daughters, Carla and Sharon, both at home, and Mrs. Kathleen (Dale) Creighton, San Diego, Calif.; one brother, William Rudy, Chester, Pa., one sister, Miss Loretta Rudy, Danville, Pa.

Funeral services were held at 2 p.m. Monday, July 3, at the Silver Lake Baptist Church. Interment was in Salem Mound Cemetery near Silver Lake, Wis. Rev. Wayne Buchanan of the Silver Lake Community Baptist Church officiated at the service.

PHILLIP J. BLANSKI

Phillip F. Blanski, 75 years old of Sebastian, Fla., passed away on Saturday, July 1, at 7:30 a.m. in Indian River Memorial Hospital at Vero Beach, Florida, after a two week illness.

He was born August 18, 1891 in Chicago and had lived in Antioch Township from 1935 until moving to Sebas-

tian 16 years ago. He was a retired carpenter by occupation having worked in the Grass Lake and Petite Lake areas while living in Lake County. He had served in the U. S. Army during World War I.

He married Martha F. Milz on July 8, 1942 at Waukegan. She passed away Oct. 12, 1963. He was also preceded in death by a brother, Albert. Survivors are two sisters, Mrs. Martha Kenneth, Chicago and Mrs. Mae Marquardt of Roselle, Ill.; two brothers, William and Floyd Blanski, both of Chicago, and the following sisters-in-law: Mrs. Minnie Smith, Mrs. Elsie (Charles) Smith, Mrs. Ruth Stokes, all of Antioch, Mrs. Mary (William) Kutz, Evanston, Mrs. Louise Mackery, Chicago, Mrs. Helen Kramer, Bellevue, Wash., and Mrs. Bertha Milz, Antioch.

Funeral services were held at 10 a.m. Wednesday at the Strang Funeral Home in Antioch. Interment was in Grass Lake Cemetery. Rev. Bruce James of the Lake Villa Community Methodist Church officiated at the service.

HENRY LAUWERS

Henry Lauwers, 79 years old of 1509 Oak St. in Petite Lake Highlands Subdivision at Lake Villa, passed away at 2:20 p.m. on Sunday, July 2nd, at St. Therese Hospital in Waukegan after a one week illness. He was born March 15, 1888, at Baesrode, Belgium and came to America on July 4, 1920, to reside in Chicago until moving to Lake Villa 11 years ago.

He was a boat builder for the city of Chicago for many years, then worked as a flat janitor in Chicago for 20 years until his retirement 11 years ago. He held membership in the Belgium-American Club, Chicago, and the Chicago Flat Janitors' union. He married Maria Josephine

DeBont on April 29, 1911 in Belgium and she preceded him in death on July 30, 1966. He is survived by his son, Marcel J. Lauwers, Chicago, a sister in Belgium, and two grandchildren.

Funeral services were held at 2 p.m. on Wednesday at the Strang Funeral Home in Antioch with the Rev. Bruce James of the Lake Villa Community Methodist Church officiating. Interment was in Fox Lake Cemetery.

A. LOUIS PAIML

A. Louis Paiml, 79 years old of Antioch, passed away at 8:30 a.m. in his home on Hwy. 83 Thursday, June 29, from a heart attack. He was born June 20, 1888 in Chicago and resided there until moving to Antioch 20 years ago. He retired in 1953 as a chauffeur for John M. Smyth Furniture Co. in Chicago after 35 years of employment with them. He married Emily Lampert on Oct. 12,

1935 in Chicago.

Survivors are his wife, Emily; one son, Louis Paiml, Chicago; two daughters, Mrs. Amelia (Walter) Strutzenberg, North Riverside, Ill., and Mrs. Marion (Virgil) Swanson, Grayslake, five grandchildren and one great-grandchild.

Funeral services were held at 1:30 p.m. Saturday at the Strang Funeral Home in Antioch. Interment was in Bohemian National Cemetery in Chicago.

GEORGE HUECKSTAEDT

George Hueckstaedt, 72 years old of Indian Point, Grass Lake, Antioch, passed away Tuesday, July 4, in Victory Memorial Hospital, Waukegan, after a several months illness.

He was born March 24, 1895 in Chicago and had lived there until moving to Antioch 4 1/2 years ago, but he had been spending his summers here for many years. He was a retired conductor for the CTA in Chicago and he also worked for the Hammond Organ Co. of Chicago for 10 years. He was a member of Amalgamated Transit Union of Chicago.

Survivors are his wife, Eleanor (nee Kalas); one daughter, Mrs. William (Loretta) Rowe, Mt. Prospect; two sons, George J. of Anti-

More Danger On Nation's Roads Says Safety Comm.

Human error spells death, Illinois statistics for 1966 show that some sort of improper driving on the part of one or more drivers involved contributed to 98% of all fatal accidents. Speeding too fast, failed to yield right-of-way, drove left of center, and had been drinking, remain as factors that contributed to nearly 3 out of 4 fatal accidents.

In the past 10 years the driving picture in Illinois

has changed drastically. The number of registered vehicles has increased 32%, from 3,530,000 to 4,670,000. The number of registered drivers has increased 27%, from 4,590,000 to 5,820,000. The number of miles driven in Illinois per year has increased 39% from 33,970,000,000 to 47,300,000,000.

The number of traffic fatalities have increased 20%, from 2,096 to 2,522.

The number of injuries has increased 63%, from 91,690 to 149,137. The number of accidents has increased 124%, from 147,190 to 329,420.

TOURISTS DISCOVER KOREA

South Korea, battered by war in the early 1950's is now attracting an increasing number of tourists as an additional stop on the oriental tour circuit. Last year 68,000 travelers visited Korea, more than twice the number in 1965 and six times the 1961 total.

Of the first regiment of the Arizona National Guard organized in 1865 to protect the settlers of the Territory against marauding bands of Apaches, outlaws and rustlers—more than half of the men in the outfit were Indians.

Guess Who The Boss Is At Your A&P

It's you!

Think about it. It makes sense.

All of us from the President on down work for you.

Frankly, where would we be without you
and the many people like you?

We know. We'd still be in that little store on Vesey Street
where we started more than 100 years ago.

That's why you're important. That's why we care so much
about how we serve you...

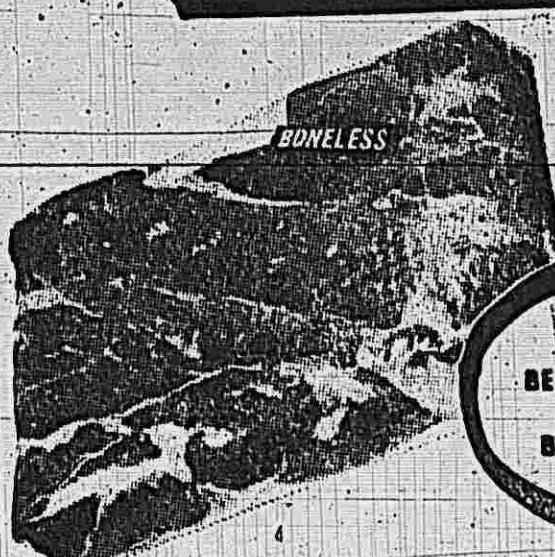

about being fair, honest and dependable.

Is this kind of attitude a good reason for shopping A&P?

It's one of many.

Diane's Going All Out For State Beauty Crown

by HOWARD MARTIN
Lake Region Jaycees are confident they have a winner in Diane Mlodzinski of Nippersink Rd., Fox Lake, abetted and tutored by Chaparron Merry Bauer of Grayslake.

Diane and Merry, forming a formidable combination, left Monday, July 3, for the State Jaycee Miss Illinois contest in Aurora and will face a busy schedule through Saturday night, July 8, when the queen will be picked from among 47 girls of many sections of the state.

Merry Bauer, mother of five and the wife of Ed Bauer, one of the proprietors of Parkway Foods in Grayslake, has been coaching Diane for more than a month at her School of Dance and Baton. DIANE QUALIFIED for her appearance this week by being crowned Miss Lakes Region in Antioch last August. Incidentally, Mrs. Bauer's sister, Bonita Graves Belucci, now married and residing in New Jersey, was the first Miss Lakes Region, chosen 10 years ago by the Long Lake Improvement Assn.

Diane and Merry, chauffeured by an Antioch Jaycee, will be transported to Aurora in an Oldsmobile provided by Teresi Motor Sales of Antioch.

Mrs. Bauer, who has noted vast improvement in the poise and personality of Diane in the last few weeks, will be happy if she returns home alone next Sunday. That would mean that Diane, gifted with a lovely voice and an honor graduate of Grant High School, would be triumphant as Miss Illinois.

IF SHE IS declared the winner in the event to be decided at Aurora College, Diane would stay over two weeks for activities planned by the State Jaycees.

That would more than repay Mrs. Bauer for her efforts and call for a celebration around Dick's Mobil Station and Restaurant operated by Dick and Amelia Mlodzinski at Rte. 83 and Grand Ave. in Lake Villa. And the weekend services of Diane would be sorely missed during the busy summer season.

Diane will attend Augustana College in Rock Island on a scholarship in the fall. Her sister, Sandra, is approaching the last two years of study for a medical degree.

DIANE'S PARENTS will attend two sessions of the Miss Illinois contest in Aurora and so will busy Ed Bauer, the genial Parkway official and president of the Grayslake Chamber of Commerce.

The program of Diane and Merry Aurora this week.

Monday, July 3 - Registration at Aurora College, production rehearsal, Miss Illinois Pageant Parade and personal appearances after the early evening parade.

Tuesday, July 4 - Group evening gown and swim suit photos, and more rehearsals.

Wednesday, July 5 - Swim suit rehearsals and judging for Diane and all girls in Group C, plus A and B Group judging.

THURSDAY, JULY 6 - Talent judging for Group C in afternoon with Diane singing "Walking Happy."

Friday, July 7 - Evening gown rehearsal for Group C and interviews with judges.

Saturday, July 8 - Television rehearsal at 8 a.m. and luncheon; telecast over Channel 2, Chicago, at 8 p.m.; and other Illinois Stations after awards presentation, then the coronation ball.

Sunday, July 9 - Sunday brunch for Miss Illinois with the winner remaining for two weeks.

Contestants and chaperones will be quartered at Aurora College dormitories.

Fox Lake Gets 3 Magistrates

At least three magistrates will take turns sitting in the Fox Lake branch of the Circuit Court during the next month.

The assignments, as made by Chief Judge Glenn K. Seidenfeld, were as follows:

Magistrate Bernard Juron July 5 and 7.

Magistrate Berbard Juron July 12 and 14.

Magistrate Nello Orri July 19 and 21.

Magistrate Kaufman July 26, 28 and Aug. 2 and 5.

Magistrate Eugene Daly who sat in the Fox Lake court during June was assigned to the Mundelein branch of the Circuit Court.

Chicago Boys Drown Sunday

Two Chicago youths lost their lives last weekend by drowning, the third and fourth drowning victims of the season.

Francis Besowschek, 17, swam to a raft at the Round Lake Beach municipal beach where he encountered difficulty. He called for help, but friends thought he was joking.

Dragging teams from the Round Lake Rescue Squad with help from Scuba divers found his body entangled in weeds at 3:15 p.m. Sunday, July 2.

This was the first drowning in Round Lake in seven years.

Recovery operations continued Monday, July 3, for the body of Michael Schultz, 19, who drowned in Channel Lake.

A caravan of 15 cars will take off Aug. 4 and return Aug. 6 after the concert in Marquette Park on the island. The party will stay at the Chippewa and Murray hotels, McElroy said this week.

McElroy has been director of the "Band That Travels" for 30 years. Rehearsals are held at the Zion library on Thursdays.

McElroy To Lead Zion Band Trip To Mackinac Isle

David McElroy, who conducts an organ and piano studio in Waukegan, will take the Zion band and majorettes to Mackinac Island, Mich., for an Aug. 5 concert.

Voters Assembly Sets Guidelines

At its most recent meeting on June 10, the Voters Assembly of St. Paul Lutheran Church adopted a set of guidelines to help determine its policy in the ecumenical movement of the day.

Recognizing the fact that this is a very intensive public issue, the voters considered the following propositions, which had been drawn up by a committee of eight pastors, and accepted these as the stance of local congregation.

1. We maintain that a fellowship in Christ does exist between those who penitently acknowledge and confess their sin to God and trust in Jesus Christ alone to reconcile them to God and to each other. Eph. 2; Rom. 12:5; Acts 6:14.

2. We maintain that this fellowship in Christ is the creation of God the Holy Spirit—who works such repentance and saving faith only through His Word, both Law and Gospel. Rom. 8, 9, 14; John 6:63; Acts 2:37-40.

3. We maintain that we can never create such fellowship in Christ ourselves, but must seek to recognize it, and practice it whenever and wherever we find it. Eph. 4:1-6.

4. We maintain that God has placed His saving Word into our midst, and that we, therefore, best serve the cause of Christian fellowship when we faithfully teach and preach that Word in all its truth and purity. John 14:6; 2 Cor. 5:18-21.

5. We recognize that we ought pray both privately and corporately for our fellow Christians, and that we ought help, admonish, and strengthen one another in the fellowship in Christ as we speak the truth to one another in true Christian love. Eph. 4:14, 15; Col. 1:1-13; 1 Thess. 5:14.

6. We maintain that fellowship in Christ cannot be equated necessarily with church fellowship, but hold with our confessions that for such church fellowship we should at least agree in doctrine and all its articles. (Formula of Concord, Epitome X, paragraph 5.)

7. We recognize that the many divisions in Christendom are indeed an offense to the world, but that false doctrine is an offense unto God and a cause for the eternal damnation of souls. Rom. 16:17; Matt. 7:15.

8. We recognize that it is pleasing to God for us to strive for doctrinal agreement that church fellowship may exist between the several denominations, but we maintain that such agreement is possible only when the Holy Spirit gives it to us as we study His sacred inerrant Word together. John 17:1-11, 17.

9. We maintain that it is neither constructive of church fellowship nor pleasing to our Lord to participate in any activities whereby the clear teachings of God's Word and the doctrines of our confessions are either compromised or denied. 1 Tim. 1:16; 2 Tim. 3:13-4:5.

10. We would classify as such activities at least the following: A. Joint worship services, prayer services, or hymn services of any kind where previous doctrinal agreement does not exist between the denominations participating in the service.

B. Cooperative Sunday Schools, weekday schools, religious schools for special groups (mentally retarded, deaf, etc.), religious rallies and retreats, and all other co-operative religious teaching efforts where doctrinal unity does not exist among the participating bodies or congregations.

Wildwood Presbyterians Plan Vacation School

"God's Power for My Life" will be the theme of the annual Daily Vacation Bible School, Monday, July 10, through July 21 at Wildwood Presbyterian Church, 605 Sunset, Wildwood.

All area children from kindergarten age through junior high school are invited to attend the sessions from 9:30 a.m. to noon Mondays through Fridays. Advance registration is encouraged.

Mrs. Richard Mitchell, Wildwood, Bible School director, is being assisted by Mrs. Thomas Sage, Wildwood, co-director; Mrs. Russell Vick, Wildwood, registrar; Mrs. Troy Watkins, Mrs. Edward Pytel and Mrs. Carl Heilmann, all of Wildwood, refreshments; Mrs. George Dagle, Grayslake, and Mrs. Arthur Deutsch, Grandwood-Park, publicity; and Bill Vick and Linda Finch, both of Wildwood, recreation. Mrs. Terence Rawlings, Wildwood, will care for infant children of staff members.

Mrs. Goodwin Heil, Grayslake, assisted by Linda Finch and Linda Cox, of Wildwood, will conduct the nursery for teachers' children only.

In charge of the beginners' department are Mrs. David Baumann, superintendent; Mrs. Thomas Sage, Mrs. Howard Munsinger and Candy Jones, all of Wildwood, and Mrs. Merritt Buck and Mrs. Arthur Deutsch, both of Grandwood Park, teachers, and Mrs. W. L. Cox, Mrs. Thomas Jarvis, Tom Jarvis, Tom McSorley Jr., Karen Harkins and Elaine Malone, all of Wildwood, helpers.

Mrs. Willard Clauser, Wildwood, superintendent of the primary department, is assisted by Mrs. Richard Schuff, Mrs. Dave Jones, Howard Munsinger, Mrs. Edward Preis, Mrs. Harold Earl and Mrs. John Harkins, all of Wildwood, teachers, and Mrs. Thomas McSorley, Elaine Harkins, Sue Lyter and Gail Werhniak, all of Wildwood, helpers.

Leading the junior department will be Mrs. Edward Harms, Wildwood, superintendent, and Mrs. Elmer Stone, Mrs. Louis Knight, Mrs. Robert Perry and Donna Werhniak, all of Wildwood, and Mrs. Kenneth Poole, Grayslake.

The Rev. David Baumann, Mrs. Richard Mitchell and Mrs. Clarence Beckman, all of Wildwood, will teach the young teens department.

Trinity Singers Program Guests

A Lindenhurst vocal group "The Trinity Five Minus One" will make a guest appearance Sunday evening, July 9, in Barrington, for the Summer Barrington Evangelical United Brethren outdoor worship services.

The group composed of Al Murphy, Pam Pontera, Bill Planagan and Bruce Marshall will sing "That Old Time Religion," "Spirit of the Living God," "Teach Me to Pray" and "Do You Love My Lord." Delivering the message will be Dr. Frank L. Countryman, pastor of Central Methodist Church, Skokie.

Located at Hillside and Highland Aves., Barrington, the church offers a beautiful place of worship for the summer Sunday evenings, every Sunday evening ending Sept. 3. These services are under the direction of the Rev. Wayne C. Hess, Barrington Camp Evangelical. Pastor Hess is Evangelical.

Lay Boards To Be Used

The Prince of Peace Church, Lake Villa, is pioneering participation of laymen in church affairs in Lake County.

The Rev. David Lynch, pastor of the parish, is planning for the election of three lay boards in directing affairs of the church. They will be:

1. A laymen board of education.
2. A laymen board of church administration.

3. A laymen liturgical council. Members to these boards will be elected. Within the next few days a Nominating Committee is to be named to process nominations. All persons wishing to be candidates for these boards must notify the Nominating Committee as soon as it is established.

A guideline for these boards is being adopted from a few of the churches in the Chicago Arch-

diocese that have constituted these lay boards.

This change in policy is in keeping with the pronouncements of the Second Vatican Council and advocated by John Cardinal Cody to open new vistas in the Roman Catholic Church.

Talent Flocks To Program Of Singing

Guitarists, pianists, solos, duets, the list continues to grow of area talent who have accepted the invitation of Clearview Baptist Church to "come and make a joyful noise" at the Singers' program to be held at the church, 1001 Lake Shore Dr., Round Lake Beach, at 2:30 p.m. Sunday, July 9.

"The Sparks Family" from 2nd Missionary Baptist Church in Zion will perform. The two younger members of the family have just returned from Stamps-Baxter School of Music in Dallas, Tex.

Doug Roberts, former member of the host church and now pastor of Lake Forest Baptist Church, will lead some of the congregational singing.

Mrs. H. Benton and son also will sing. David is the song leader at Park City Missionary Baptist Church.

Among the many young people will be Ray Nofsinger, a member of the Chorallers, well known vocal group at Round Lake High School.

Guess Who The Boss Is At Your A&P

It's you!

Think about it. It makes sense.

All of us from the President on down work for you.

Frankly, where would we be without you and the many people like you?

We know. We'd still be in that little store on Vesey Street where we started more than 100 years ago.

That's why you're important. That's why we care so much about how we serve you.

about being fair, honest and dependable.

Is this kind of attitude a good reason for shopping A&P?

It's one of many.

HAWAIIAN GREETING—Colorful leis await readers of this newspaper who join Lakeland Newspaper sponsored two week vacation to Hawaii, leaving Oct. 1. Beautiful Polynesian girls will present flowers to the newspaper group upon its arrival in Honolulu. Reservations now being made by Cray Travel Service, Waukegan.

Take The Hawaiian Tour; See Many Unusual Sights

Did you ever see a live volcano? A lava "tree"? A black sand beach? A hedge of orchids? A forest of 30-foot high tree ferns? If not, it's time you did! And the way to see them, and much more, is to join the Lakeland Newspaper "Hawaii Holiday" departing Oct. 1. The tour takes Northwest Orient Airlines' famous Royal Aloha flight to Honolulu from Seattle/Tacoma.

ALL OF THESE natural wonders and more are found on Hawaii, the "Big Island" of the Hawaiian chain. Its residents advertise that they have the biggest island (4,030 sq. miles), the biggest fish (giant Marlin off the Kona coast), the biggest cattle ranch (300,000 acres) and the biggest mountain (13,679-ft. Mauna Kea) in the islands.

The live volcano is the famed Mauna Loa. It is regarded as a "tame" volcano because its periodic eruptions are more spectacular than damaging and attract thousands to witness the fiery pyrotechnics.

Graphic evidence of its last eruption can be found today in the picturesque Puna district south of the island capital city of Hilo. Here, where the lava pushed through sugar cane fields toward the sea, the crust is still hot to the touch and cinder cones still smoke. Here, too, are the lava "trees" formed when the flow engulfed living trees.

A FEW MILES distant is the unique black sand beach of Kalapana, where the action of the surf has pulverized lava into a gleaming jet-hued sand. There is a back drop of stately palms.

Back up the slope of Mauna Loa is Hawaii National Park, a region of steaming craters; lava tubes, cones, fern forests and a museum. Chief point of interest is the Halemauau fire pit of the Kilauea Crater where Madam Pele, Hawaiian goddess of fire, frequently puts on a volcanic show. There is a fine hotel on the crater rim.

Hilo is the Orchid capital of Hawaii. The lovely little Vanda Orchids are grown commercially by the millions for use in leis and corsages. The nurseries also

grow rarer types and Orchid hedges border the green lawns of the residential district.

THE BIG FISH are caught off the Kona coast on the opposite side of the island. Fishing headquarters is the tropical little village of Kailua, site of many stirring incident in Hawaiian history and once the playground of Hawaiian royalty. From resort hotels along the sea, sportsmen put out each day on charter fishing cruises. Catches are frequent and the big ones run up to 1,000 pounds.

First class resort hotels in Hilo, Kailua, and at the volcano, provide headquarters for touring the Big Island of Hawaii.

The newspaper office can be contacted to obtain a four color brochure which explains the trip in detail or interested persons can contact the Cray Travel Service, Waukegan, which is handling details and reservations.

McHenry Fair
Runs Aug. 3-6

McHenry County will have its exceptionally large fair on Aug. 3, 4, 5 and 6 at the McHenry County Fairgrounds in Woodstock.

Dairy cattle, beef, sheep, swine, horses, poultry, rabbits, garden produce, handicraft, entomology, dog care, foods, clothing, room improvement, knitting and a wide variety of other projects will be on display for the general public.

A tractor-pull, junior olympics, All Western Horse Show, Harness Races and a Livestock Auction will all be a part of the big McHenry County Fair.

Agriculture and Home Economics 4-H'ers, 1271 of them, will be exhibiting their projects from August 3 through 6.

Oliver Good Theater At Mr. L's Despite Biting Of Mosquitoes

by TERRI CHEBUHAR
"Reviewing the Situation," as Fagin so appropriately did during opening night, Thursday, June 29, at Mr. L's Carousel Theatre near Wadsworth, it would seem that the sparse audience viewing "Oliver" spent more time twisting to avoid the bite of a hungry mosquito than "Olivering."

The spacious blue and white striped enclosure was a welcome addition for theatre-goers in the area. Its interior of comfortable blue canvas "directors chairs" and a stage in the half-round, made for easy viewing.

Talent was quite obviously clear-cut through the entire production. Those not at home on the stage made it rough going for the stand-outs.

With superb choreography and orchestration the production could have been staged as a pantomime without too much loss of meaning.

Many of the key roles were played by veteran thespians, making it a play of higher than amateur status.

Slyly commanding the greatest attention and applause from the audience was Charles Ray, playing Fagin to the infinitesimal degree of superiority. Supporting him, Michael Murphy, as The Artful Dodger, made the aphorism "Crime Doesn't Pay," a matter of opinion.

Oliver himself, lost ground to the aforementioned because of a lifeless stage personality. He was used more for a human punching bag than as an actor. He lacked vitality which should be obvious in the life of Oliver Twist - a hyperactive youngster thrown into an adventurous situation.

The play is old, yet it was very modern - no miniskirts needed to illustrate the fact.

Potential audiences can look forward to an enjoyable presentation provided the insect problem is arrested. The show runs through July 9. The timeless "Oklahoma" follows "Oliver" in the colorful tent located on Townline Rd. which is reached by either Rte. 41 or Edic Rd.

SCRIPT REVIEW—Reviewing the script for Mr. L's Carousel Theatre production of "Oliver" are, from left, Donald Mahoney, Glen Bailey and Charles Ray, all from Wildwood. The two unidentified girls are members of the chorus. Glen and Donald are also members of the chorus. Ray re-

turns once again to Mr. L's after serving out his military duty. During the summers at Mr. L's he wrote two musical revues plus acting. He also portrayed the character role of Little Chap in "Stop The World—I Want to Get Off" with the Chicago Festival Theatre in Chicago.

Ford's 'Castle' Top Attraction

by JEANNE WELCH
TRAVEL EDITOR

SUBURBAN PRESS OF CHICAGO
Visitors to Europe usually make it a point to see at least one English castle or French chateau. If Europe isn't on your vacation agenda this year you might be interested to substitute an American "castle" for the centuries old European variety.

Last July, "Fairlane," the Scottish baronial estate which Henry and Clara Ford called home, was opened to visitors. Fairlane is in the Detroit suburb of Dearborn, just west of the Southfield expressway. Visiting hours are: Fridays, 10 a.m. to 2 p.m. and Sundays, 1 to 4 p.m. Admission is \$1 for adults and 50 cents for children.

FOLLOWING the mile long entry drive, bordered with flowering fruit trees and shrubs, the visitor comes upon a huge rambling structure built of Indian limestone with outer walls 24 inches thick. It is no surprise to learn that it contains more than 50 rooms and cost, in 1914, \$2,296,000.

Much of the material used in interior decoration probably could not be duplicated today at any price.

Among the eight fireplaces one is of Wedgwood, another of Italian walnut and marble. Wood paneling is used extensively; in the dining room it's mahogany, in the music room, American walnut. The latter room has a terrace with a 200,000

gallon cistern. From this terrace Mrs. Ford enjoyed watching and feeding her white peacocks.

In the so-called Rustic Room, with its oak floor pegged with black walnut, the Fords and invited guests often engaged in a Ford enthusiasm, early American dancing.

Garden enthusiasts—even those whose main activity is fighting the crabgrass of a small suburban plot—will be overwhelmed more by the grounds of Fairlane than by its interior.

ATTEMPTS are being made to maintain the gardens as they were originally laid out under the supervision of Mrs. Ford. Near the main building is the English garden with a teahouse, and the "Blue Garden," so called, of course, because it is landscaped entirely with blue flowers.

A trail garden winds through the

Friendship Club Planning Picnic

The Friendship Club for Senior Citizens held a regular meeting Saturday, June 24, in the Lake County Savings & Loan Assn. Community Room in Grayslake.

Cards and other games were played.

Plans were made for a meeting and potluck picnic 1:30 p.m. Sunday, July 16, to be served at 4:00 p.m. at the house of Mr. and Mrs. Rex Carier, 273 Lippincott Ln., Fox Lake. For more information call JU 7-0456.

woods to the garden which became world famous. Mrs. Ford's rose garden. Imagine five acres of roses interspersed with ponds and surrounded by trees. At its rear the lawn slopes to the edge of the river and the dam constructed to furnish electricity for Fairlane.

Today, Fairlane is not an obsolete monument and mere tourist sight. It is in active use as a community center, providing civic, educational, cultural, labor and business groups with a palatial setting for meetings and special events.

STARRING AT MIDLANE—Chuck Ray of Wildwood, playing Fagin in Mr. L's production of "Oliver" at Midlane Farm Country Club, Wadsworth, gives Oliver, played by Mike Augstinne, encouragement in pickpocket duties. Musical adaptation of famed tale by Dickens runs through July 9.

Visitors Really 'Dig' Mounds At Dickson

Every day is a field day for would-be archaeologists at Dickson Mounds 55 miles northwest of Springfield, between Havana and Lewistown. An estimated 40,000 persons saw the 1966 excavations and this year there may be twice as many.

The "dig" now under way will cover a much more extensive area than the original Dickson excavations. Professional interest in the work has gained impetus with the

prospect of a new museum complex on the site and all areas to be covered by the new building will be opened up.

The archaeologists and about 20 helpers are participating in the project this summer. Dr. Robert

L. Hall of the Illinois State Museum, which administers Dickson Mounds under the Illinois Department of Registration and Education, has laid out the project and is supervising the first phase.

Plan Holstein Show July 6

The big McHenry County Black and White Show is Thursday, 6:30 p.m., July 6, at the McHenry County Fairgrounds.

Ray Brubaker, Elkhart Lake, Wis., is the official judge. All senior exhibitors must be members of the Illinois Holstein-Friesian Assn., and the McHenry-Lake Holstein Club.

Any McHenry or Lake County 4-H members with purebred Holstein cattle may exhibit. There are 21 classes in which contestants may enter for the Black and White Show. These include a number of calf, heifer, yearling, cow, produce of dam, senior get of sire, best three females, and dam and daughter classes.

Herman Albrecht, Huntley, president of the McHenry-Lake Holstein Club, invites the public to see the outstanding dairy cows and calves at the show.

SPORTS

by MIKE FLEISCHER

THAT TIME AGAIN....

Gene Cichowski and his band of Rifles are getting started on conditioning for the coming season, a season which finds the Lake County entry in the Central States Pro League as defending champs.

This year will be rougher than ever.

There's quite a bit of new blood around — a great part of it elsewhere than at Weiss Field.

In fact, there's a whole new team although one has departed. The Chicago Panthers are dead. With them goes the only woman GM in pro football. They depart without tears.

The new entry is Delavan, Wis. Their coach is Dick Olson of Salem High School, just across the border from Antioch.

Up in West Allis, the Racers have signed a dandy quarterback, Jon Wilson of Wake Forest. He's going to help the Racers, for two years league doormats.

Wilson broke several records set at Wake Forest by Karl Sweetan (Detroit Lions), and Norman Snead (Washington Redskins).

Jon will attend the University of Wisconsin law school between scrimmages.

GENE CICHOWSKI

But what about the Rifles? Well, most of the players who wrote the word "champion" after the Rifle name will be back.

Signed already are such standouts as Bob Cook, Lew Flinn, Bill Bodie, Angie Dabiero, Lee Wahlgren, Don Rowden, Wayne Miller, Bill Butchard, John Gavurnik, John Patterson, Mark Metcalf, Willie Smith, Joe Smith, Don Schwab, Fred Fabry, Joe Bieck, Dick Wolfe, Jim Scully, Bob Hauser, and a few more.

Add a few good looking rookies and what have you got? Hopefully a repeat of the league title.

UPWARD BOUND....

Major league baseball scouts have been active in the Lake County area.

Johnny Johnson, architect of two Antioch defeats in basketball and the guard who sparked his North Chicago team to a regional championship and a "Sweet 16" berth, has signed with the Cubs.

Johnny, an outfielder, is presently in Caldwell, Idaho, of the rookie league.

Comment from the Cubs front office is terse. "He might have a chance" is all they'll say. Bill Prince and John Hennessey, who signed Johnson, feel that to be true, or they would have looked elsewhere.

From Deerfield comes an unusual happening.

Brothers John and Jeff Mason were signed in the same week by scouts from two different clubs.

John, the older, a junior at SIU is now toiling for Waterloo of the Red Sox farm system.

Jeff, better known for football than baseball, is currently with Johnson City, Tenn., of the Yankee skein. Jeff did, however, manage one Legion game this year before he signed.

So the scouts are out and active.

Gentlemen, may I humbly suggest your investigation of the West Lake County area. There are a few ballplayers around here with potential — as much I would dare say as Mason, Johnson, and Johnson.

They're playing ball right now — for Antioch, Grayslake, Lake Region, Lake Zurich, Mundelein, Wauconda and a few other old Legion teams. Some are playing softball. Whatever, they're here, ready and waiting.

BUNT PRACTICE — Manager Art Blocke of newly formed Antioch Legion team demonstrates proper bunting form to Terry Nickerson, Chip

Tanner, Marfy Romaine, Bill Revell, Dave Comstock, Joel P. Strahan, and Bill Blocke. Antioch Legion team opened first season with win.

Antioch's Luck On Down Turn

Antioch's American Legion baseball team has run into some hard luck.

The team has dropped two one run games in a row, the first to Grayslake 3-2 and the second to the reviving Lakes Region nine, also by a 3-2 score.

IN THE RAIN shortened Grayslake game, Antioch fought back to a 3-3 tie in the sixth when the skies opened.

Umpires called the game, reverted to the end of the fifth inning for scoring purposes, and awarded the game to Grayslake. Bob Reese was given the decision over Jody Wallick.

In the Lake Region game, Antioch's Ralph Zancz was given the loss and the win went to Ari Gjertson. All of Lake Region's runs came in one inning when, after loading the bases, Zancz was relieved by Rich Stroner.

Stroner allowed the batter to hit a bloop that dropped for a base hit. A throwing error on the outfielder who finally retrieved the ball allowed the third run to score.

WALLECK pitched the last inning as a warm-up.

Antioch's record is 1-3 thus far. Grayslake is 3-2 and Lake Region is 2-2.

BVI's Lose 3 In Shoreline

Grayslake's BVIs, the west county entry in the Shoreline Baseball League now that Wauconda has dropped out, has had a rough run of luck, dropping three close games.

Bob Smith was tagged with the 2-1 loss to North Chicago on June 28.

Dave Sangbusch lost a 1-0 heart-breaker to Circle Concrete of Zion and then George Esplin dropped the other half of the doubleheader 4-0, July 2.

Gurnee drew a bye for June 28, then had the games they had slated with Wauconda cancelled when Wauconda dropped out of the league.

Lake Zurich, 4-1, and Mundelein, 4-1, lead the Western region, tenth district.

Wauconda is in the cellar with a 1-4 record.

Rain Cancels July Opener

Rain, which has lately been as consistent as a point leading driver at many area tracks, came to the Lake Geneva Speed Center both early and late July 1 and prevented the running of the feature race. Just as the line up for the feature was being announced, sprinkles started that soon turned into a downpour.

Rain had fallen earlier but stopped and the time trials and all heat races were run off before the rain started again.

In the heats, George Fisher got his first Speed Center victory of the season; Russ Sorensen kept a cool head and won the second heat with Jim Sullivan and Pete Trappio each trying to take the number one position away from him. Their efforts only netted them a spin out that gave second and third to Pop Kline and Lauren Lawrence.

Tom Anderson led throughout the third heat with Claude Potter, Bill Bohn and Rodger Otto finishing very close behind. Duane Harris had been up to third in this one and Don Seource, running the wide groove, made a great effort going into each turn to move up and get the lead. At the end he was fifth.

The fourth heat was won by Sullivan with Source in second and Otto in for third. All the heats were close and the last two were the "stand up and see the finish" type.

Special events for the month of July will be a ladies Powder Puff Derby on Thursday, July 13, and a special Friday night Jim Lawrence Memorial Race.

Midlane Women Golfers Set 3 July Meets

Midlane Women's Golf Assn. members scheduled three tournaments in a one week span with enjoyable results.

The excellent weather was credited with helping make the events a success.

Winning the Peoria system tourney were Mary Behrs, Bernice Brunstrom, Lois Norman, and Peggy Schultz.

Winners in the couples' tourney were Mr. and Mrs. G. McCullough and Mr. and Mrs. W. Weber, low gross; Leo Kapolis, Bob Norman, Elsie Keeley, and Elaine Olsen, low putts; Mr. and Mrs. J. Relke, Mr. and Mrs. K. Swanson, Mr. and Mrs. R. Holmgren, Peoria; Mrs. V. Gowe, most putts; and Mr. and Mrs. M. Galgan, combined high gross.

In the Bingo - Bango - Bongo tourney Anita Rieke, Betty Holland, Betty Lund, and Marne Weber emerged the winners.

Midlane women golfers have scheduled three July events.

Blind partners is set for July 11; score minus putts handicap is set for July 18, and beat the president day is set for July 25.

Grandmother Sweeps Waukegan Hobby Race

Dave Evans powered his 1966 Chevelle through tangles and scraps to win the first feature of his career at the Waukegan Speedway. Harold Gutche was second and Lake Villa's Roger Hagl finished third in his best showing of the season.

Cora Morton became the "Queen of the hobby stocks" as she romped home the winner in that divisions' featured event. With the win, Mrs. Morton, a grandmother, became the first lady to win a

main event at the speedway when in competition with the men. Earlier in the season Mrs. Morton rolled over after the finish of an event — so she has now tasted both the good and the bad.

Norm Zenko was the early leader in the feature. At five laps Ralph Sinnen and Round Lake's Ray Busch tangled and both took a wild ride down the backstretch, but neither flipped and Sinnen was able to re-enter the event. Harold Gutche, Zenko, Ron Kalous, Evans

and Dennis Burgan had the fans on the edge of their seats as they fought for the lead lap after lap. Everyone, except Burgan had the lead, Evans finally taking over in the 15th after racing with Zenko.

From there on it was Evans all the way. He became the seventh late model feature winner in ten main events this season at the speedway. Only Jim Cossman has managed to record more than one victory.

Spectacular heat race crashes highlighted the action. Pete Brewer and Ed Jones stopped the first heat with a crash right in front of the stands. In the fourth heat Zenko and Bill Robis of Antioch sideswiped while fighting for the lead. Robis crashed his Ford head on into the homestretch wall at high speed and was shaken up. Qualifications: Jim Cossman (:17.82); Tim Seyl (:18.06); Roger Hagl, Lake Villa (:18.07).

Trophy Dash: Al Gutche; Jim Cossman; Ralph Sinnen.

First Heat: Ed Sheeler; Paul Craddock; Round Lake; Ed Jones. Second Heat: Dennis Burgan, Old Mill Creek; Ray Busch, Round Lake; Harold Gutche. Third Heat: Dave Evans; Ralph Sinnen; Roger Hagl. Fourth Heat: Norm Zenko; Marty Chapman; Jerry Leasch.

Fifth Heat (Hobby Stock): Frank Ginn; Jim Regenauer; Bill Hart. Sixth Heat (Hobby Stock): Jim Walters; Chuck Gilmore; Russ Busch.

Semi-Feature (Hobby Stock): Cora Morton; James Eckert; John Walters.

Feature, 30 laps: Dave Evans; Harold Gutche; Roger Hagl; Al Gutche; Marty Chapman; Jim Cossman; Norm Zenko.

NEW CSFL ENTRY

Delavan Team Going Concern

Delavan, Wis., newest entry in the Central States Football League is a going concern.

DICK OLSON, Salem High football coach and assistant coach of the Reddevils, reported that there were 50 prospects at the player's meeting on June 25 and that practice was to begin July 5 at the old Delavan Athletic Field.

"We don't know our talent too well yet and that's what's slowing us down a little," said Olson.

"We are, however, enjoying a brisk season ticket sale so I would say we're a going concern."

"After the first game or after the season we may not be, but right now everything looks pretty good."

OLSON added that they had received their uniforms and that

blocking sleds and air bags had been borrowed from Beloit College.

"Our practice schedule calls for nightly drills at 7 p.m. for the first two weeks," Olson said. "Then we'll play it by ear. It depends on who we've got, how they're coming around, and on what nights it's best for us to practice."

Olson stated that Art Lazaroni, head coach of the Reddevils, was interested in establishing a base on which to build future contenders. "We want to bring Delavan good football first and foremost, then we'll worry about championships," the assistant said, concurring with the head coach.

"We'll let the opponents, including Lake County's Rifles, know we're here."

Grayslake High Offering Unique Fitness Course

As far as Bill Eiserman, head football coach and physical education department head at Grayslake High school is able to determine, the physical conditioning summer course that is being offered at his school is unique in the Lakeland area.

The summer physical fitness course, offered for the first time this year, is designed for any young men in the Grayslake High School district who conscientiously want to improve their physical and mental fitness.

The course runs from July 10 to August 18 and meets in two sections for one hour per day, five days per week.

The cost is \$15 per student.

Upperclassmen will meet for instruction at 6:30 p.m.; underclassmen will meet at 7:30 a.m.

Harris Wins Speed Center Feature Race

Whitey Harris, defending 1966 Champion of the Lake Geneva Speed Center, got back in the winning groove at the Lake Geneva Speed Center June 29 as he won the 30 lap modified stock car race after a grueling battle with Don Schuppel.

Bill Kline took the lead at the start followed by Dean Krauze and Tom Anderson. On the sixth lap Anderson, who took second on the fourth lap, went around Kline and into the lead.

By the 10th lap, Harris was fourth with Schuppel second and Kline between them. On the next lap Harris took second and the chase started in earnest after Anderson. Schuppel overtook Anderson for the lead on the 19th lap with Harris following dropping Anderson back to third. Jim Sullivan, who had started 12th, was now up to fourth and he too got by Anderson on the next lap. On the 25th lap, with only six laps to go, Harris worked his way around the outside and around Schuppel and was never threatened again. Schuppel finished second, then it was Sullivan, Johnny Reimer, Anderson, Rodger Otto, Ron Bergsma, Claude Potter, Bill Bohn, and John Keing in the first ten.

Wayne Kowalski, 713 W. Warrior, Round Lake Heights, shot his ace on the 170 yard eighth hole at Brae Loch on June 25. This was the 22 year old golfer's first ace. Registering his first ace July 1 was Fred Ward Jr., 911 Broadway, North Chicago.

Ward shot his hole-in-one on the 195 yard sixth hole using a number four wood.

Both golfers will receive a long list of prizes from manufacturers of golf equipment and accessories.

Classes will have access to the locker rooms, gyms, fields, and equipment at the high school.

IN ADDITION to circuit training, a system combining obstacle course running and weight training, there will be running and agility activities, cage ball, flickerball, speedball, and soccer hockey.

According to Eiserman, this course violates no IHSA ban on out of season training, ensuring that football and basketball players can participate.

Eiserman is being assisted by Wayne Brockway, assistant football, basketball and baseball coach at Grayslake.

The coach stated that students at schools other than Grayslake High were welcome to enroll provided they live in the district.

Safe Boating Week, July 2-8 Set By Kerner

Care, common sense and courtesy — safe boating is made of these.

Gov. Otto Kerner joined the Illinois Boating Council in proclaiming July 2 to July 8 as National Safe Boating Week in Illinois.

William T. Lodge, director of the Illinois Department of Conservation, requested all boaters who enjoy Illinois waters to remember that they are not alone on them. Warm summer weekends mean more boat traffic and more chances for accidents.

Modified stock car heats were won by Chuck Henne who also came back and took the win in the semi-feature, Bergsma, Schuppel and Reimer.

Bears Help Rifles With Cut Gridders

Lake County's Central States Football League Champion Rifles opened their third season at 6 p.m., Thursday, July 6, at the Mundelein High School athletic field.

Head coach Gene Cichowski has scheduled practice sessions three times per week from now until the season opener.

General Manager Bob Amann reported that he spent over an hour last week with Babe Dimancheff, Chicago Bears player personnel director.

THE BEARS have provided the Rifles with the names of eight area players who were cut from

the Bear tryout camp at Soldier Field. Amann pointed out that the two teams have no working agreement and the Bears extended the courtesy of providing the Rifles the names of these players. The Rifles general manager pointed out that once cut, players are free agents with no team association and may be contacted by any pro team.

"If we land one of these youngsters it will be one more than we had last year," said Amann. "We are most grateful to George Halas Jr. and Dimancheff for giving the

Rifles the opportunity to contact these boys."

AMANN further reported that over 90 letters have been sent out to veteran and rookie ballplayers asking them to join the team for practice.

Another brother pair has joined the Rifles fold, Amann stated. Joining Willie and Joe Smith are the Van Dien brothers of North Chicago. Both played at Illinois State. John weighs 260, Jim 235 pounds.

In the backfield a new face, former all-state quarterback Bill Riley of Marian Central High, Woodstock, is expected. Riley played two years for Notre Dame, two years for Nebraska's Cornhuskers.

HE'LL BE tossing the pigskin to Darryl Johnson, an all-conference tight end from Ottawa College, Kansas. Johnson hails from Waukegan, Riley from Woodstock.

Action opens for the Rifles on Aug. 12 when they face the Dayton Colts.

Chain O' Lakes Fish Count Up

Fish populations of the Fox Chain O' Lakes region are outstanding. This fact was revealed during a survey of the lakes from May 22 to May 26. Fishery biologists of the Illinois Department of Conservation used electric shockers and gill nets to obtain samples of the fish populations in Marie, Fox, Pistakee, Channel, Catherine, and Grass Lakes.

The largemouth bass population was excellent in all the lakes. The majority averaged 17 1/2 inches in Fox Lake, 17 inches in Lake Marie and 16 inches in Pistakee and Grass Lake.

A good channel catfish population is present. In Fox and Pistakee Lakes catfish averaged 17 inches long and weighed 1 1/2 pounds.

Bluegills averaged seven inches long and weighed about one-third pound. In Lakes Marie, Channel and Catherine, the majority was from seven to eight inches long, and in Fox Lake, they averaged about six inches long. Bluegills averaged about seven inches in Pistakee and Grass Lakes.

Crappie, both white and black, averaging eight inches in length and weighing about one-third pound, are found in all lakes of

the chain. Crappie populations tend to run in about five-year cycles. In some years, they have a good spawn and the population jumps up but because of the high numbers of fish, individuals do not get big. Then natural mortality and fishing reduces the population, individual fish grow large, the crappie have another year of successful spawning and the cycle repeats itself.

White bass or stripers averaged six - to - nine inches long and were present in most of the lakes. Bullheads averaged 10 inches long and populations were good in most lakes. Carp are big enough to give a carp fisherman about all he wants with many of this species going from 27 - to - 32 inches long.

The sampling methods used during the survey were not the best for northern pike or walleye and only a few of these species were taken. But they were large. These species are probably the least abundant in the Chain O' Lakes.

During the investigation the best panfish populations were in the channels connecting the lakes. Big catfish and bass were shocked along the shorelines of Pistakee and Fox Lakes.

Softballers See Many Homers, Busy Week

A busy week of softball play has made up all but two of the rain canceled St. Bede's K of C Softball League games.

Tiny Links, the only team with cancellations yet to make up, notched their second win of the season over K of C by a slim 13-12 margin.

Mark Pollakson held the K of C's despite homers by Bill Frost and Joe Pleviak. The Tiny Links nine also managed to win despite spirited defense by the K of C's who turned in a double play. Dave Ferrigan was the loser.

Tom's Grocery also notched a win, pounding hapless Antioch News 11-9. Jim Hall was the winning chucker, Bu Weick the loser. Ron Rottman homered for Tom's, Bill Klein registered a round tripper for Antioch News.

Casey's Tap had some hard luck in losing to Homan's Sporting 11-8. Frank Helselman was the loser even though Casey's turned in a double play and had a homer from the bat of Dick Wolfe. Dick Kazlauskis homered for the winners and Bob Hamm, who was the winning pitcher.

Casey's then turned around and whipped Antioch News 13-3, Weick absorbing his second loss of the week. Helping Frank Helselman was Dick Wolfe, a homer, and Terry Schneider, another homer. Tom's Grocery stopped Dave Ferrigan and the K of C's by a 13-12 score as Jim Hall picked up the win. The defensive battle was a rugged one with both sides registering double plays.

Homan's took their second game of the week trouncing Tiny Links 16-6. Bob Hamm won again as Chuck Sink took the loss.

In the final game of the week, Club Alibi preserved its unbeaten record despite two Mouldy's homers off the bats of Larry Gibson and Bill Parr as Lee Williams held the Grayslakes 15-13. Lew Linn took the loss.

The Old Timer

"The wheel was man's greatest invention until he got behind it."

IN FAST COMPANY — Joe Cassidy, far right, and Roger Cox, second from left, of Antioch Firestone, spoke with race drivers Al Unser and Jim McElreath about performance of Firestone tires during recent Indy 500 race. Unser drove to second place in race, McElreath finished fifth in Zink "Trackburner". Firestone dealers got to examine. Parnelli Jones also made appearance at affair.

Homan's Sporting Goods Win K of C Softball Title

Homan's Sporting Goods of Fox Lake has won the June Invitational St. Bede's K of C Softball Tournament for the second year in a row.

Homan's had to defeat the highly rated Sportsmen's Lounge of Bellwood for the crown and they did it on the strength of pitching by Don Gerstein and Bob Hamm and homers by Don Benz and Dick Kazlauskis.

WHEN THE championship tilts were finally able, after several rain delays, to get underway Sunday, July 2, it was Sportsmen's against Bimbo's of McHenry and Homan's against Mouldy's of Grayslake in a local battle.

Soil And Water Districts Slate Field Day July 22

Lake and North Cook County Soil and Water Conservation Districts are sponsoring a Pond Management field day on Saturday, July 22.

The project, in cooperation with the A.S.C.S. and the Illinois Division of Fisheries, will consist of identical demonstrations at two locations, one in Lake and one in North Cook County.

The Lake County demonstration will be held at Gaylord Donnelly's Windy Hill farm, north of Libertyville, at 10 a.m.

Illinois Fishery Biologists, Paul Vidal and Gregg Tichacek, will conduct the program, which will include aquatic weed control and other pond management items and a demonstration of shocking a pond to determine fish population.

This demonstration is a followup of the Pond Symposium which was held last fall and is in answer to questions raised at that meeting.

Sportsmen's triumphed over the McHenry entry 9-7 with Tony Petrucci picking up the win over Jim Heard.

Tony's mound effort was bolstered by round trippers from the bats of Don Jewell and Butch Paul.

THE LOCAL battle between Mouldy's and Homan's was rough. The Fox Lake softballers won 5-1 behind Gerstein, Lew Linn absorbing the loss.

Bimbo's and Heard then proceeded to steal past Mouldy's in the battle for third and fourth place by a score of 7-6. This time Willie Grogan was charged with the loss.

Wildwood Man Indicted On Mail Fraud Charges

Nine counts of mail fraud were contained in a Federal grand jury indictment in Chicago of Robert M. Price, 39, of 608 Lake Shore Dr., Wildwood.

It was claimed that Price and Joseph Ehrig, 46, formerly of Chicago, defrauded job hunters of more than a million dollars while offering to find executive positions at large salaries.

Ehrig also was named in the indictment. Neither man is in custody.

Martin J. McGee, chief postal inspector in Chicago, said the two men operated World Executive, Inc. at 909 N. Michigan Ave., Chicago, from Jan. 23, 1963, to July 9, 1964. He said the firm advertised that it could provide jobs with salaries ranging from \$10,000 to \$18,000 yearly.

According to McGee, the firm took in an estimated \$1.3 million during an 18 month operation. The Internal Revenue Service seized World Executive Inc. on a claim that it owed \$13,342 in withholding taxes for 30 employees.

McHenry Sportsmen Schedule Ham And Bacon Prize Shoot

Porky Pig will be the guest of honor at the McHenry Sportsmen's Club Ham and Bacon Prize Shoot, Sunday July 9. Shooting starts at 11 a.m. and will continue until dark.

Succulent Dubuque Hams and Jopet hickory smoked slab bacons will be the incentive for eagle-eye shotguns to shoot up the place. Also on the prize menu are tender young chickens and Jopet aged steaks. Shooters will vie for these gourmet goodies in double, triple and quintuple White Bird shoots, in addition to Hi-Lo and regular high score shoots. Protection and Annie Oakley contests will be the funtype shoots, and 10 and 25 bird practice rounds will fill out the day's schedule of events.

In special action at their last meeting, McHenry sportsmen's Club members voted to reward sharpshooting nimrods who break 25 x 25 straight targets at the Saturday afternoon practice sessions. The club will pay \$2 to every shotgunning who accomplishes this feat. Saturday sessions will be held from 1 to 4 p.m., on July 1, 8, 15, 22 and 29.

In other action, members voted to shift business meetings to the first Thursday of each month. Scheduled meetings are set for July 6, August 3, September 7, October 5, November 2 and December 7.

Marine Corps Reserves Home

Advance elements of the largest organized reserve unit in the nation, the 2nd Battalion, 24th Marine Regiment, 4th Marine Division, with a large number of Lake County residents, spent a week in one of the most rugged areas at Camp Pendleton, Calif., the Margarita Peak area, prior to the commencement of a three-day mock war. The unit has 1,200 men in five companies.

The battalion underwent intensive training in small unit tactics in preparation for the three-day guerrilla war against an "aggressor" force.

The Marine reserves returned home last weekend.

Bicyclest Hurt Hit By Driver

Traffic accidents in the Lake area caused much damage to property, but not serious injury during early hours of the Fourth of July weekend.

Taken to St. Therese Hospital Friday, June 30, was 14-year-old Tony Ruzicka of Lake Villa after he turned in front of a car driven by Charles Felner of Libertyville, while on his bicycle.

The mishap occurred on Engle Dr., east of Rio. 83.

COUNTY ZONING NOTICE STATE OF ILLINOIS COUNTY OF LAKE, ss.—

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of GRANT, Lake County, Illinois, that a public hearing will be held on July 27, 1967, at 1:30 p.m., in the Grant Town Hall, Ingleside, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the HC-Highway Commercial District, to the CS-Commercial Service District, the following described real estate, to wit:

Property located at the Southeast corner of Wilson and Long Lake Roads, described as:

Lots 4, 5 and 6 in Graham's Third Subdivision, being a subdivision of the part of the West half of the Northwest quarter of Sec. 24, Twp. 45 N., R. 9, East of the 3rd P.M., according to the plat thereof recorded Aug. 20, 1946, in Book 30 of Plats, page 78, as Doc. 597954, in Lake County, Illinois.

As a result of the petition of GENE J. TONI and EMILY TONI AND FRANK SHERONY AND FRANCES SHERONY, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
JOHN M. STERLEY

Tab Hold Up Men As Pros, Got \$15,000

Police are certain a band of professional gunmen robbed the Big Gurnee Discount Center of an estimated \$15,000 in cash after lying in wait all night for employees to open the store.

The gunmen robbed three of the four safes in the store. Police are seeking four, the number inside the store, and possibly two more outside men for the robbery.

The gunmen held a janitor, William B. Taylor, 615 S. Ulica, Waukegan, hostage all night waiting for the store employees who had combinations to the safes to come to work.

"They were pros, all right," said Gurnee Police Chief Orin Anderson. "They knew exactly what they wanted, who had the combinations, where things were, and what they were doing."

"They had walkie talkies and guns, masks, and the right method."

"They herded employees and early customers, about 40 people in all, into a small room and took what they wanted."

"No one was harmed," Anderson stated that he had pretty good descriptions of the men but did not know where they went or what they were driving when they left the store at 9:15 a.m.

"They were probably from outside the area. They seemed to have done this many times before," said Anderson.

Taylor was grabbed by the gunmen at 10 p.m., Sunday, July 2. He was handcuffed in a washroom the entire night.

As employees came in they were grabbed by two of the men stationed at the front door. Finally Art Kennet, 1331 S. Green Bay Rd., Waukegan, the man with the combinations came.

As they forced him to open the safes, they stuffed bills into pillow cases from the store, ignoring checks and mostly ignoring change.
